The Times says that Hamilton will be satisfied with 200,000 visitors.

At the Crystal Palace there will be seating capacity for 3,000 persons to listen to the Carnival concerts.

It is now settled that the thirteenth regiment of Brooklyn will be present on military day in Hamilton. It will number 600 strong.

Wednesday, it is predicted, will be one of the most attractive days during carnival week in Hamilton. One of the important features on that occasion is to be the societies' parade, when 5,000 persons will be in line.

The success of the Hamilton carnival is assured, says the Spectator. There will be immense crowds in the city; these crowds will naturally expect to see all the principal streets not only decorated but illuminated. It is to be hoped, therefore, that unenterprising citizens, if there be any, will proceed to get their skates on and see that the visitors are not disappointed. It is the meanest kind of a man who will take all the benefits and not help to boom the thing along.

On Friday last the Halifax Summer Carnival was practically brought to a close by a grand ball in the evening. The gala week will long linger in the memories of the people of that city by the sea and the thousands of visitors who were feted by the hospitable blue-nose.

Would you like your hotel accommodation engaged? Let us know and will attend to it for you. There will probably be a crowd, and would like all our friends to be comfortable while here. Shall be glad to see you and do what we can to make your stay pleasant and profitable. Such is the thoughtful way in which a leading wholesale grocery firm in Hamilton addresses its customers. It is only one sample of the general interest that the merchants of the "Ambitious City" are taking in order to make the visit of their friends to the approaching carnival one long to be remembered.

At a special meeting of the Hamilton Board of Trade held on Friday last Mr. W. A. Robinson was elected vice-president, the office having been declined by the Mr. Jno. Knox. Mr. H. N. Kittson gave notice that at the next meeting of the board he would move that the annual membership fee be increased from \$4 to \$5. He said \$4 was a ridiculously low fee. In Toronto the fee was \$10 a year, and it cost \$100 to become a member of the board. As soon as the membership of that board had reached 1,000 moreover, the initiation fee was to be increased to \$200.
