ARCHDIOCESE OF TORONTO. Choose Christ for Their Spouse. NINE YOUNG LADIES RECEIVE THE VEIL.

One of the impressive and interesting religious ceremonies of the Catholic church was solemnized by Rev. Father Marjion, Toronto, on Saturday morning last.

His Grace Archbishop Walsh officiated. He was assisted by Rev. Father Marjion, C.B.S., Provincial of St. Michael's College, Rev. Father A. Magnien, S.S., of Baltimore, and Rev. Father J. Walsh, Rev. Fr. Magnien delivering the address.

At the last annual examination they and their pupils received one hundred and fifty certificates, ten diplomas and two gold medals.

DIocese of Peterborough. CEREMONY AT MOUNT ST. JOSEPH. Holy Mother Church delights to throw the solemnity of her liturgical life around the religion and profession of her religious, and no matter how often witnessed the scene is always new and the ceremony most affecting.

The beautiful chapel of Mount St. Joseph, Novitate for the Diocese of Peterborough, was the scene of such a ceremony on Wednesday, Aug. 19, when four young ladies made their final and perpetual vows, and two others received the holy habit.

His Lordship Bishop O'Connor presided. In the sanctuary were also: Very Rev. Mgr. Laurent, of Lindsay; Ven. Archdeacon Sweeney, of Peterborough; Rev. Father Lynch, of Port Hope; Conroy, of Norwood; Murray, of Cobourg; Scanlan and Galvan of Peterborough.

His Lordship spoke particularly upon the happiness of Heaven, and pointed out that to gain this happiness they must be united to God by His Holy Spirit, and that the Holy Spirit is the gift of God, and that the Holy Spirit is the gift of God.

Two little maids then deposited the flower-trimmed basket containing the habits on the altar, while the priest, in the presence of the assistant priests, His Lordship, and the young ladies, and after asking the postulants usual questions as to their willingness to assume the dress and duties of a nun, he dismissed them to put aside their worldly dress to clothe themselves in the poor habit of a Sister of St. Joseph.

The ceremony of taking the vows then followed. The four young novices who have completed their two years of novitiate are Sister Columba (Miss Thomson), of Fossil Falls; Sister St. Mary (Miss Lynch, of Peterborough); Sister Carmelita (Miss Hurley, of Lindsay); and Sister St. Joseph (Miss Mahan, of Lindsay).

Thomas Devaney, one of the Irish dynasties, who, in Edinburgh, thirteen years ago, was sentenced to penal servitude for life was released from Portland prison last Monday morning.

SEPARATE SCHOOL WORK.

The Separate school at Oshawa sent four candidates to the late High School Entrance Examination, all of whom passed.

An Eminent Irishman. The Right Hon. Lord Russell of Killowen, LL. D., G. C. M. C., Lord Chief Justice of England, accompanied by a distinguished party of relatives and friends, arrived in New York city Saturday.

The brilliant career of the acute Irishman is well known, even to Americans. His traveling companions are each in their respective spheres among the most notable members of the English Bar.

OBITUARY.

MRS. JOHN CARROLL, WOODSTOCK. After a long illness, borne in a truly Christian manner, at Woodstock, Ontario, Catharine O'Rourke, relict of the late John Carroll, died, on July 20, 1896, fortified by all the rites of the Catholic Church.

THE IRISH QUESTION AS IT STANDS. The history of Ireland is now midway between two important events in its development.

A curiously significant sign of the times is the change in its attitude towards Ireland of Toryism in power at Westminster.

THE GREAT IRISH CONVENTION.

"For my part," said Michael Davitt, "I place fifty times more hope for Ireland in the work of the coming Irish Race Convention in Dublin than I do in fifty sessions of the Imperial Parliament in Westminster."

Very Rev. Dean Wagner's Health. Four months ago the Very Rev. Dean Wagner, of St. Alphonsus' church, Windsor, Ont., acting on the advice of his physician and friends, went on a trip to Germany in the hope that a change of climate and the ocean voyage would materially benefit his health.

enough Unionist tenant farmers into the Nationalist ranks to reduce the Irish Unionist representation from a score of members to a dozen or even less.

But these concessions are by no means all that the Irish people ask and are entitled to by the rules of common justice. Even the land question is far from being settled, and there is the other economic issue of the readjustment of financial relations between the two countries.

The advice of their kin beyond sea, and the noble example of John Dillon, are bearing good fruit in Ireland. Nationalists are nominating Parnellites as delegates to the Convention, and there is a general disposition to frown down the opener of old wounds.

Nuns Build Their Own Convent.

A recent traveler in South Africa tells of Benedictine nuns who have undertaken not only to build their own house, but even to manufacture the material. These devoted women have already made 100,000 bricks with their own hands.

LATEST FROM IRELAND.

Sexton May be Made the Irish Leader at the Dublin Conference. The recklessly selfish attitude taken up by the landlords in the House of peers towards the Irish Land Bill accentuates the importance of the efforts Irish leaders of all factions are making to reconsolidate the Nationalist party at the approaching Dublin convention.

THE GREAT IRISH CONVENTION.

"For my part," said Michael Davitt, "I place fifty times more hope for Ireland in the work of the coming Irish Race Convention in Dublin than I do in fifty sessions of the Imperial Parliament in Westminster."

Saying all that can be said for the arrogance and stupid shortsightedness of the House of Lords, and of the Conservatives in general, where the affairs of Ireland are concerned, what honest man but will admit that some slight advance had been made for her—something more wrested from England than the release of a single political prisoner.

Mr. Davitt's confidence in the coming convention is based, without doubt, on his conviction that it will once for all restore unity in the Irish party. Nothing can be clearer than the will of the representatives of the Irish race from other lands on this subject.

His Final Vows.

During the 6 o'clock Mass at SS. Peter and Paul's church in Detroit last Saturday morning, in the presence of a large congregation, Rev. Thomas Ewing Sherman, son of the late General William T. Sherman, make his final vows and was forever joined to the Jesuit order, which he entered in Maryland, in 1878.

The Most Reverend Sebastian Martinelli, Apostolic Delegate-elect to the United States, will continue to hold the office of Prior-General of the Augustinian Order. The Rev. Father Rodriguez, Procurator-General of the order, has been appointed his representative at Rome.

Sister Mary Irene Fitz-Gibbon, founder of the New York Foundling Hospital and of St. Joseph's Hospital, at Spuyten Duyvil, N. Y., died on Friday morning of heart disease at the Foundling Hospital, 68th street and Third Avenue, New York.
