MRS. JOAN BISHOP
Artistic Costuming
The latest and most select novelties in Trimmings and All Gownings
28 COLLEGE ST. PHONE N. 571.

The Bishop of London has decided to dispose of his horses and carriages and henceforward will rely only upon motor cars. The Bishop only began motoring a few months ago, but since that time he has travelled thousands of miles by car and has never once been delayed on the road or late for a single appointment. Moreover the Bishop finds it possible to carry out many more engagements than he formerly could. As the Bishop is a great lover of fresh air a motor car which he has lately ordered will be made to completely open by day and to close at night when the inside of the car will be electrically illuminated, as the Bishop always reads when travelling.

The Limited Payment Policy

is a popular form of Life Insurance, inasmuch as the premiums entirely cease at the end of a specified time—being confined to the earlier years of life when one's earning capacities are at their best.

A policy of this kind with the **North American Life** provides protection with investment, and constitutes one of the best forms of insurance obtainable—while the cost is very reasonable.

For further information, see one of our representatives, or write at once to the

North American Life Assurance Company.
