

Raw Furs

Here is a reputable house where you can send your FURS, SKINS and PELTRIES with the knowledge that you will receive the very best prices obtainable. Established in 1898 by Mr. Richard M. Pierce, we have made gigantic strides in the Canadian West. The growth of our business necessitated the forming of a Limited Company and the taking of one of the most commodious premises in the City of Winnipeg in connection with the Fur Business. Mr. Pierce holds the position of Managing Director and every skin shipped in comes under his expert scrutiny. Consider this—we pay all express charges, remit in any form you request and you get absolute FAIR PRICE TREATMENT. Only under such conditions can a business expand. If you have not yet written for our price list "E," shipping tags, etc., you should do so immediately.

Profit by experience.—We are here to stay. We also handle Hides and Seneca Root.

Sold On Approval

When the manufacturer can afford to sell a farm tractor on approval, there's one thing certain—that he comes pretty near knowing that it will give satisfaction. He could give no more positive proof of his confidence. THE BIG FOUR "30" is the only tractor ever sold on approval. You give it a thorough trial in your own field and do not pay a cent for it until you have satisfied yourself that it will do all that is claimed for it. That's a pretty good way to buy a tractor.

WRITE NOW for our book "Some 1911 Records,"—tells you all about what other farmers have done with THE BIG FOUR "30."
