### BOY SCOUTS COMING.

Pay Visit to Canada.

Arrangements are being made, says The London Daily Mail, by which a number of boy scouts will e enabled to visit Canada during charged for these by the wholesale the ensuing summer, and so have the opportunity of practising scouting under conditions which would be impossible in this country. Red Indians will be employed to lay trails and also to teach the boys the art of tracking on a scale which could not be attempted in England. Ganoeing, fishing, and following the slot of the wild deer will also form that two causes have led to the inpart of the scheme, which is a sequel to the interchange of the vis-

its between English and German boy scouts last year. The boys, who will be under the care of scout-masters, and for whose

welfare the most precise arrangements will be made, will be selected growth of population. by competition. The trip will be uite free of cost to the participa-

# KEEP LIQUOR OUT.

#### roposal to Regulate Transportatten in Canada.

A despatch from Ottawa says the Senate on Tuesday Sir R. Scott introduced a bill to reguthe transportation of intoxicat liquors, forbidding any trans-

irtation company or individual to carry liquor into any Province, county, city, or municipality which has declared for prohibition for use in such places. An exception is made, allowing an individual to bring in liquor to the amount of five gallons for his own use. There ling of explosives, and not the qua-is another exception in favor of lity of the dynamite used by the Provinces to enable liquor to be taken in for sale under medical

Members of British Organization to Prices of To-day Compared With Forty-five Years Ago.

THE COST OF LIVING.

A despatch from Toronto says: The Grocer of January 21st has a list of 46 articles with the prices houses in 1865 and the prices charged now. From this list it is shown that cheese, butter, ham, eggs, matches, and all spice have gone up considerably, whilst all other articles are the same or greatly reduced. Sugar, salt and crease in prices of the articles named, and these are the excellent facilities for shipping to Britain,

where there is an almost unlimited demand for the Canadian product, and then there is the great increase of the home consumption due to the

# KILLED ON THE N. T. RAILWAY

#### Mr. Graham Brings Down the Return of Fatal Accidents.

A despatch from Ottawa says: A return tabled in the Commons b; Hon. G. P. Graham, on Wednesday, with respect to fatal accidents on the National Transcontinental Railway during the past three years, shows that eleven persons were killed in district "A," seven teen in district "B," nine in district "E," and seventy-seven in district "F," a total of one hundred and forty-four. The returns show that the cause of the accidents was careless and ignorant handcontractors.
