W. A. Muir, of Lima, O., says:—"I was one of the countless victims of early vice at 15 years of age. The drains on my system were weakening my brain as well as my sexual and nervous system. For ten years I tried scores of doctors, electric belts and patent medicines. Some helped me, none cured. I was giving up in despair, in fact, contemplating suicide when a friend advised me as a last resort to give the New Method Treatment of Drs. K. & K. a fair trial. Without confidence I consented and in three months I was a cured man. I was cured seven years ago—an married and happy. I heartily recommend Drs. K. & K. to my afflicted fellow men."
