HONORED OLD HALLOW'E'N

Maple City Lads and Lassies were up to all kinds of mischief last night.

Many Franks Played - Chief of Police Holmes has an Experience.

Last night was Halloween, that night of nights dear to the hearts of the boys, and the Maple City boys were out in full force celebrating Halloween in the time-honored manner and as their fathers used to celebrate it in days gone by.

A lot of energy was wasted by some North Chatham lads on the Rev. Mr. George's woodpile. It was piled on Elizabeth street, and the boys scattered it over the street. A grocer's push cart was decorating a veranda on Harvey street this morning. Wm. Potter arrived in time last night to catch about a dozen youngsters barricading the front door of his store with boxes and barrels. Quite a few doorsteps this morning had an array of vegetables spread out on them.

When Chief Holmes was going home last night he met a gang of boys running a buggy away. They had got the buggy in the alleyway back of Dan McGregor's place. "Look here, boys, didn't you better take that buggy back?" remarked the Chief to the boys.

The lads, however, didn't wait to do any taking back but they just flew despite the Chief's warning that they needn't run as he knew them. The Chief galloped the buggy to one side of the road and left it. This morning a buggy much like it, adorned the park all to pieces. The Chief says that it will be cheaper for the boys to settle for their fun than to be summoned.

The caretaker of the park had his hands full last night with the boys. City Engineer Jones telephoned the police this morning that the boys had broken the globes of the electric light on the park all to pieces.

Officer Dezela reported that he saw two young fellows about 17 years old masquerading on King St. with blacked faces. One was dressed in girls' clothes. These fellows must have been the two who fell into the hands of a party of girls on the bridge. The girls wanted to see who their fellow was dressed in their attire, and they mauled him considerably.

The front and rear gates at Edwin Bell's residence had disappeared this morning. They were hidden some place and the big gate was knocked off its hinges.

Harry Stevens, who also lives on Victoria Ave., reported that not only his gate but also his front fence was gone this morning. The streets were full of masqueraders and everybody seemed to have a good time. The front veranda of J. M. Pike was treated to a coat of lime by some midnight revellers.

Quite a number of Halloween parties were given throughout the city. One lad blacked up to Halloween and thought it a good joke, but now he doesn't see any fun in it at all. He hasn't been able to get the black off since.

CHARGE OF THEFT

Major Coogan went out yesterday to the scene of the Rankin murder and arrested West Freeman, son of George Freeman, the chief actor in that tragedy. The young man was charged with stealing corn from Wm. Stover, of Raleigh Township. The prisoner was arraigned this morning and pleaded not guilty. The day of trial was fixed for next Friday, and the prisoner released on bail.

The personal recognizances of the prisoners, \$400, Nathaniel Murray \$200 and \$100 in cash was the bail which Judge Houston accepted.

George Freeman, father of West Freeman, the prisoner, was in court. He was released from Kingston on ticket of leave last January and has since been living at home. He told Major Coogan that there never would have been any murder if it hadn't been for Macdonald.

QUEBEC'S CHANCE

Is Injured by Kickers - Laurier May Give Public Works to Sutherland.

Ottawa, Oct. 31. - There was another meeting of the Cabinet to-day, but no announcements were made at the close. The belief is gaining ground that owing to the kick against Mr. Brodeur's getting the Public Works portfolio that Sir Wilfrid will cut the kickers off by appointing Mr. Sutherland to that department, and giving Marine and Fisheries to one of his Quebec followers.

FOOTBALL

NO GAME.

At 1.40 this afternoon Percy Pigott, secretary of the Chatham Football club, received a telephone message from Secretary Taylor, of the Wallaceburg Club, to the effect that 'Burg club had decided not to travel to Chatham this afternoon and intended to default the game.

This late announcement, following the assurances of the Wallaceburg club yesterday, places the Chatham club in a very unfortunate position. Considerable expense has been incurred in advertising, erecting new goals, marking the grounds and the issuing of badges, and the local club feels very sore over the treatment accorded them.

On instructions from President Laurie, the team will don their uniforms, however, and line-up at 3.30 as scheduled. J. C. Stuart, of Windsor, a member of the League executive, is in the city to referee the match; others of the league officers are being communicated with and it is probable a league meeting will be held here to-night.

As is Wallaceburg's second default of away-from-home games and in neither case was the required three days' notice given, it is feared the League executive will deal severely with the defaulting town. The discipline meted out will doubtless depend on an investigation of the circumstances.

There was a rumor on the streets late this afternoon that the Wallaceburg club had been disfranchised from competition in all leagues of Association football under the W. F. A. for five seasons. There is, of course no truth in this. Nothing can be done until the officials of the League get together, but it is safe to surmise that the whole of the eastern division of the Eastern League is in for a regular shaking up.

A BODY BLOW

Chatham and Darrell played off a league match on Saturday last and the latter team came off the victors. It seems that Darrell befriended the city as well as themselves, as The Planet says it was the best thing that ever happened this team, and that the loss of the game was nothing to them anyhow. Chatham is bound to throw some kind of banquet at itself, as they pronounce Darrell the best country team in Canada. Our advice to Chatham is to take to the woods this house a country team. Wallaceburg will tackle Chatham on Saturday, so get prepared to be darrelled again, ye Chatham kickers. - Wallaceburg News.

MODEL SCHOOL WON

The Canada Business College football team again met defeat yesterday, this time at the hands of the Model school, assisted by a number of the city players. The game was played throughout and held in the college boys played as hard in the first half as they did in the last half the result would have been different. Assisting the Model school boys were Marshall Taylor, in goal, Milt. Bates at full back, Brundage and McQueen on the forward line and Bert Ross at half back. Mercer and Reid assisted the college.

C. B. Sisson, of the High school, made a fair and impartial referee. The only goal was scored by Brundage for the C. M. S. in the first half just before half time. During the last half the ball was down at the C. M. S. end the biggest part of the time and the half back line and backs were kept very busy for a while. Mercer made some remarkably brilliant runs and attacks. The inability of the college boys to shoot probably lost the game for them, as several fine chances for scores were missed. The line up: Model School.

Goal-Taylor. Backs-Hutchison and Bates. Half Backs-Lewis, Ross, McQueen. Right Wing-Doyle and Wilson. Centre-Walker. Left Wing-Elison, Brundage. C. B. C.

Goal-Baley. C. B. Sisson, McNaughton. Half Backs-O'Rourke, Lister, Reid. Right Wing-Scriven, Slupe. Centre-W. Mounteer. Left Wing-Ford, E. S. Mounteer.

The Windsor Record of yesterday garrulously inflicts its readers with some alleged football news, as follows: "The latest reports from Chatham are to the effect that the Maple City is going wild over the brilliant success that has accompanied their football team this fall, and so certain are they of winning the championship this year, that already preparations are being made for banqueting the would-be victors. But Windsor says there's many a slip 'twixt the cup and the lip. The team which represents that obscure village forty miles to the east of us may be the best in its class, but it must realize that Windsor has the best team it has had in a number of years. To-morrow Chatham will play Wallaceburg on the former's grounds. J. C. Stuart, B. A. of this city, will referee the match. Chatham has undoubtedly strong players and are in the best possible condition. The football committee has an unusually large choice of candidates and the great-
