ENVIRONMENT.

A lily grew in a garden far
From the dust of the city street;
It had no dream that the universe
Held aught less pure and sweet
Than its virgin self; so chaste was it,
So perfect its retreat.

When night came down the lily looked
In the face of the stars and smiled;
Then went to sleep—to the sleep of
death—
As the soul of a little child
Goes back to the clasp of the Father-
soul.
Untouched and undefiled.

A lily bloomed on the highway, close
To the tread of the sweeping throng;
It bore the gaze of a hundred eyes
Where burned the flame of wrong;
And one came by who tore its heart
With a ruthless hand and strong.

It caught no glimpse of a garden fair,
It knew no other name
For a world that used and bruised
It so—
Than a world of sin and shame;
And hopeless, crushed, its spirit passed—
As the evening shadows came.

And who can say but the sheltered one
A sullied flower had been
Had its home been out on the highway,
close
To the path of shame and sin?
And the other forever angel-white
Had it blossomed safer within?
—Elizabeth G. Perkins.

LOCAL BRIEFS

Miss Effie McKerrall is visiting in De-
troit.

Mrs. Geo. W. Blomde, who has been
ill for some time is no better.

Miss Margaret Hamilton and Miss
McDowell, of this city, spent Sunday with
Miss Grace McDowell, Irwin.

The 7th Annual Lawn Social of St.
Joseph's Church, will be held on the
church grounds on Thursday afternoon
and evening, June 21st, 1900.

Little books of stamps, each com-
prising 12 two, will be on sale in the
post offices next week for 25 cents.

Willard McKay, the Queen St. confection-
er, has a splendid crop of well ready for
picking. These are among the first of the
season.

E. A. Mounteer has a pony which he
calls Alice. This horse is human in its
taste and will eat anything from bananas to
tomatoes.

A learned scientist says that the
whole human system is full of micro-
bes, and that a person is healthy as
long as his microbes are in good con-
dition. The question now is, what can
a fellow take that will always be good
for his microbes.

Lodges, churches and other bodies
contemplating excursions or summer
entertainments will do well to get
their job printing done at The Planet
office, thus securing a local notice
gratis in the reading columns of the
paper. Finest of work, and lowest
prices guaranteed.

A Strawberry Social will be given
under the auspices of the Ladies'
Auxiliary of Irwin's Mission Church,
on Monday, June 18th, at 8 p. m. A
good program has been prepared, and
a band will be in attendance.

Fainting Spells

Are peculiar to women. Men rarely
faint. Many women are liable to what
they term "fainting spells," and this
liability is always most marked at the
monthly period. This alone is sufficient
to connect the "fainting spell" with a
condition of the
womanly organs.

The use of Doctor
Pierce's Favorite
Prescription cures
irregularity, heals
inflammation and
stops the
drains which
weaken the body. It
builds up the nerv-
ous system, increases
the vital powers, and
so removes the com-
mon causes of faint-
ness in women.

There is no alcohol
in "Favorite Prescrip-
tion," neither
does it contain
opium, cocaine, nor
any other narcotic.

"It gives me much
pleasure," writes Mrs.
Ella Sapp, of James-
town, Ontario, N. C.,
"to thank Dr. Pierce for
the great good received
from the use of his
"Favorite Prescription"
and "Golden Medical
Discovery." I had suf-
fered for three years or
more at monthly periods. It seemed as though
I would die with pain in my back and stomach.
I could not stand on my feet without fainting;
had given up all hope of ever being cured, when
one of my friends insisted upon my trying Dr.
Pierce's Favorite Prescription. With but little
faith I tried it, and before I had taken half a
bottle I felt better, had better appetite and
slept better. Now I have taken two bottles of
"Favorite Prescription" and one of "Golden
Medical Discovery" and am happy to say I am
entirely cured, and all done in two months'
time. All other medicines had failed to do
any good."

Keep the liver healthy by using Dr.
Pierce's Pleasant Pellets.

resolved that Councilor Morrison
have the road improved.—Carried.

Moved by Buchanan and Morrison,
that the clerk be instructed to ask
the engineer of the L. E. & D. R. R.
to take some steps to have the water
on their land at the E. & H. junction,
Con. 1 and 2, W. C. R., drained to a
proper outlet.—Carried.

Moved by Young and McCormick,
that in the matter of a grievance
complained of by Mr. Serson, resolved
that the reeve take the initiative and
place the drain under the D. and W.
A.—Carried.

The reeve reported re road at Erieau
and also re cut-off at Gore Line.

Moved by Morrison and McCormick,
that the reeve, Messrs. E. Young and
C. Buchanan be a committee to look
after road at Erieau.—Carried.

Moved by Young and McCormick,
that the clerk send our solicitor's bill
of costs to the taxing officer to be
taxed.—Carried.

Moved by McCormick and Buchanan,
that the clerk be instructed to noti-
fy the engineer of the L. E. & D. R.
R. that the sewer pipe which they
are about to place through their road-
way, Miss C. Don, W. C. R., is in
the opinion of this council too small
to carry the volume of water which
is to pass through, and that a three-
foot pipe be used instead.—Carried.

THE A. O. U. W.

It is a good time to think about
life insurance, at another man's fun-
eral, for yourself. You cannot do it very
well at your own. And immediately
after the funeral—the other man's—is
a good time to act. A certificate
in the A. O. U. W., for as large amount
as you can afford will prove to those
you leave behind an inheritance not
to be despised.

VETERINARY
