The S. P. Benjamin Co., of White Rock and Falmouth, plan on cutting this winter some 15,000,000 feet of timber for the summer's work in the mills at the two above named places: 3,000,000 feet will be got out at White Rock and the rest at Falmouth. The mill at White Rock has been idle for a year, but will resume work next summer. It is said that this company now employs some 150 men in the woods at Falmouth to get out this large amount of timber, which will make about 200 men in all at both mills. Mr. A. W. Boyle, who will go into the woods this winter in care of the camp at Falmouth, and who also has charge of the wharf at that place during the summer months, is from South Alton, and was in town on Monday.—Herald

THE ACADIAN.

WOLFVILLE, N. S., DEC. 22, 1899.

Local and Provincial.

A Merry Christmas to all.

The steamer *Evangelina* arrived here on Friday last from Parrabore, bringing Mr McLeod and family who have returned to Caldwell's house on Acadia street.

At the close of the Junior rhetorical on Tuesday evening the members of the club and their friends repaired to the Hotel Central where a class supper was held.

Owing to the illness of the pastor the plight of the Methodist church was occupied last Sunday morning by Rev. J. G. C. White and in the evening by Principal McDonald.

4 lb. Candy for 25 cents.
MINTO CAFE.

The turkey supper held by the ladies of the Methodist church in their vestry on Thursday evening of last week was a decided success as such affairs under their management usually are. An excellent supper was furnished and well patronized. About \$90 was realized.

We understand that the property owned by Capt. Clarence Eagles, on Acadia street, now occupied by Mr. A. W. Stubb, has been placed in the hands of Mr. A. V. Pince, real estate agent, for sale. The property is a most desirable one and can be purchased at a fair price.

Fine Mixed Candy only 8c per lb. at H. W. DAVISON'S.

The schooner *Harold Borden* was recently sold at this port to Mr. L. D. Shaffer, of Bridgetown, for \$2,200. She is now at Kingsport and will take a load of potatoes to Havana. A year ago the *Borden* was sold here in the same berth, when she became the property of R. W. Kinsman, Canisling.

Splendid line of Chocolates at the DRUG STORE.

The Wolfville band will play three sacred Christmas selections in the Methodist church next Sunday evening as follows:—"Glad Tidings," "Some Sweet Day Bye-and-by," "Bright and Joyful is the Morn'g." In addition there will be carols and recitations by the children, and an appropriate address by the pastor, Mr. J. E. Dunkin.

The engine for the electric light station was got in position last week and furnished power on Thursday evening. No hitch was made, the work of removing the old engine and getting in the new being done in one day without interfering with the light except for a few hours. The new engine is a dandy and does her work without any fuss.

The schooner *Wallman Hall* has been discharging a cargo of corn at the Deary mills this week, and the *M. J. Boly* is expected soon with another. So far twelve cargoes have been received this season. Two schooners were lost with most last week for ports in Cumberland county. The industry is becoming quite an important one and of considerable benefit to the town.

Notwithstanding the unpleasant state of the weather on Friday evening last a good audience assembled in College Hall to listen to the Folk Jubilee Singers. An excellent programme was given and was thoroughly enjoyed by all. Although there have been a number of changes in the personnel of the company since they last visited Wolfville their concert was equally up to any given here. It is a treat to listen to such music and they are always assured of good houses in Wolfville.

The college and Seminary closed on Wednesday for the Xmas holidays and most of the students have left town. The Academy closed some days earlier in consequence of an alleged case of scarlet fever in the building.

We are glad to learn of the improved condition in health of Mr. William Young, of Chipman's Corner, who has been seriously ill. Last week very small hope was entertained for his recovery, but we trust now that he has begun to rally that he may soon be restored to health again.

4 lb. Candy for 25 cents.
MINTO CAFE.

The day was a busy day in Wolfville. Notwithstanding the bad condition of the roads the town was full of people and Main street was lined with teams on either side from early morning until night. Merchants did a good trade and business went away well satisfied.

To Rent—Flat 6 rooms on corner of Route Baptist church. A. V. PINZO.

Mr. W. C. Archibald has undertaken a new departure in the fruit business this year. On his property at Bulcher Street he has planted four acres in tree seeds, including a great number of varieties. Mr. Archibald believes in going to the beginning of things, and his faith in the fruit business leads him to the opinion that all the nursery stock required can profitably be produced here, and should be. The work he has now undertaken is quite an extensive one, and deserves success.

Xmas Calendars.—The finest line ever shown here at WOLFVILLE BOOK STORE.

The 46th anniversary of the organization of Wolfville Division, S. of T., was celebrated in their hall on Monday evening. There was a large attendance and the hall was well filled. "Evangelina" Division, of Lower Horton, and Canisling Division were present on invitation and assisted in the programme, which was an excellent one. Readings, music, dialogues, etc., were given and heartily enjoyed. Refreshments consisting of cocoa, brown bread, cake and ice cream, etc., were served and helped to make the gathering a pleasant one. Excellent addresses were given by Capt. Tingley, Dr. H. Chipman, Rev. W. H. Langille and others and the meeting closed with the singing of the closing ode.

Chocolates and all kinds of Confectionery for Christmas at H. W. DAVISON'S.

Mr. George H. Wallace, of this place, left on Wednesday last for Mexico. Some time ago he retired from business, on account of ill health, and now finds it necessary to seek a more congenial climate. During the past eleven years Mr. Wallace has faithfully superintended the Baptist Sabbath-school, and on his departure the teachers and pupils of that organization presented him with a traveling rug and strap, the silver clasp of which bears his name. The presentation was accompanied by an appropriate address prepared by Dr. Jones. His many friends will earnestly hope that the trip may have the desired result. He was accompanied by his brother, J. W. Wallace, Esq.
