On motion the books of the town clerk and treasurer for the year 1911 were passed upon as correct.

At this point Mayor Harvey gracefully thanked the members of the council for courtesy shown him during the past year and retired from the chair.

The Recorder administered the oath of office to Mayor Chambers and Counsellors Haycock, Regan and Harris.

Mayor Chambers took the chair and addressed the council briefly.

A draft of the bill empowering the Council to apply to the Legislature for authority to borrow the sum of \$15,000 for street improvement was laid upon the table by the Recorder and read.

Resolved that the draft bill entitled 'An act authorizing the town of Wolfville to borrow money for street improvement' be adopted and the Recorder instructed to send same to one of the representatives of the county for presentation.

The following officers and committees for the ensuing year were appointed:

School Board—Coun. Chambers, Haycock and Hales.

Public Accounts—Coun. Hales, Harris and Sleep.

License and Police—Coun. Regan, Hales and Haycock.

Public Property and Streets—Coun. Hales, Haycock and Sleep.

Public Health—The Council.

Presiding Councillor—J. E. Hales.

Health Officer—Dr. G. E. DeWitt.

The date of the by-election to fill the vacancy caused by the resignation of Coun. Chambers, to accept nomination for Mayor was fixed for Thursday, Feb. 22nd. J. W. Selfridge was appointed presiding officer and W. M. Black poll clerk.

A Liberal Offer.

WE GUARANTEE TO RELIEVE DYSPYPSIA. IF WE FAIL THE MEDICINE COSTS NOTHING.

To unquestionably prove to the people that indigestion and dyspepsia can be permanently relieved and that Rexall's Dyspepsia Tablets will bring about this result, we will furnish the medicine absolutely free if it fails to give satisfaction to any one using it.

The remarkable success of Rexall's Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as to the care exercised in their manufacture, whereby the well-known properties of Bismuth-Subnitrate of Pepsin have been combined with Carminatives and other agents.

Bismuth-Subnitrate and Pepsin are constantly employed and recognized by the medical profession as invaluable in the treatment of indigestion and dyspepsia.

The Pepsin used in Rexall's Dyspepsia Tablets is carefully prepared so as to develop its greatest efficiency. Pepsin supplies to the digestive apparatus one of the most important assistants in the digestion and assimilation of food and is indispensable.

The Carminatives possess properties which aid in relieving the distension and pain caused by indigestion. These constituents of these tablets make a remedy invaluable for the immediate relief of indigestion and dyspepsia.

We are so certain of this that we urge you to try Rexall's Dyspepsia Tablets on the next occasion of indigestion. These tablets, 50c per box, are sold by all druggists. You can also obtain Rexall's Dyspepsia Tablets by mail from Rexall's Dispensary, 222 N. York St., Montreal, P. Q., Canada.

Death of Wolfville's Oldest Citizen.

On Sunday afternoon last the death occurred of Robert Chisholm Wolfville's oldest citizen. Had he lived until the first day of March he would have been 106 years of age. Mr. Chisholm was a native of Tyrone county, Ireland, and when a boy of ten came with his parents to this country and settled at St. John, N. B. His father, James Chisholm, was a native of Scotland, and his mother (Maria Brown) an Irishwoman. Both parents lived to an advanced age, the father to considerably over ninety, the mother well into the eighties. At the age of thirty he removed to Annapolis Royal, then, and for many years later he came to Cornwallia and settled at Town Plot, where the fort and barracks occupied by the regulars during the war of 1812-1814 were still standing. With the exception of three years spent in St. John Mr. Chisholm lived in Cornwallia, until he came a few years ago to reside in Wolfville with his son, Mr. R. D. Chisholm, at whose home he passed away. Until a few months ago he enjoyed excellent physical health, but since winter set in he complained of a good deal of those minor ailments incidental to advanced age. His mental powers, however, remained unimpaired until the last. His recollections, within certain limits, were remarkably wide and clear. He remembered the first four-wheeled carriage in Cornwallia, which was owned by Squire James Eaton, and he had talked with people who remembered when the French were in the neighborhood. He distinctly remembered the journey over the result of the Battle of Waterloo in which two of his uncles took part. In his youth nearly all the farmers lived in log houses with pole floors. They were lucky if they saw a newspaper once a fortnight. The wages of a good journeyman blacksmith was then from eighteen pence (36c) to two shillings (48c) per day, while farm laborers received two dollars per month and found themselves. Schools in his boyhood were few and far between and the great majority of working people could neither read nor write.

Advertising the Provinces.

To advertise 'the glowing East' is the purpose of the Maritime Provinces, and with this aim in view the suggestion—made by the Pictou Board of Trade—is a good one. They have recently passed a resolution recommending that all firms doing business in Nova Scotia select from their advertising matter illustrations of scenes or industries which set forth the beauties or resources of Nova Scotia and its advantages for every class of desirable settler.

A letter is being sent by the Pictou Board to all the boards of trade in Nova Scotia embodying this resolution and requesting their cooperation. The letter states—

'This resolution was inspired by the sight of many calendars, issued by Nova Scotia firms, which had views of foreign scenery or pictures of general interest. It is felt by the Pictou Board of Trade that these calendars can be well adorned with pictures of beautiful Nova Scotia views or photographs of Nova Scotia industries. Then they will not only serve to acquaint our own people with what we have at home in the way of scenery and business, but will also be good advertisement when sent abroad as many of them are.'

Wolffville Defeats D. B. C. A.

In a fast and exciting game of hockey Wolffville defeated the D. B. C. A. on Monday evening to the tune of 7-2. The game was the best seen here this season. The Dartmouth team had a stronger team than the last time they were here. The home team put up a brand of hockey more like that of last year, and are not going to give up the trophy without a struggle. Lloyd Black refereed very satisfactorily.

The first half was very keenly contested although the visitors had a little the better of the territory. From the face-off the puck was carried up and down the ice in sensational rushes. Then the play settled near Wolffville's goal for a time. Spicer carried the puck into Dartmouth's territory and repeated attempts were made to score, but in vain. Play was rushed back to Wolffville's end, where Eagles and Eaton got the puck and carried it up the ice, scoring the first goal after 15 minutes of play. Soon after this Spicer was sent to the boards for two minutes, and while he was off Patterson scored for Dartmouth. In a few minutes the visitors scored again, putting them in the lead. The rest of the half was rather slow and the bell rang with the play in Wolffville territory.

In the second half the home team got down to work and had things pretty well their own way. From the start the play was carried into Dartmouth's territory. Eaton and Murray got into an argument and were allowed to settle it in the box. Fraser carried the puck the length of the ice and tied the score after 5 minutes of play. Then Eaton came on and Wolffville again found the net. End to end rushes followed and Christie netted the puck. Play continued in Dartmouth's territory and Eagles scored. The puck was then carried to Wolffville's end, but Eaton carried it back and shot but failed to score. Soon after this Wolffville added another to the score. The play began to get rougher toward the end of the game and Eaton and Palmer were sent to the boards, followed soon after by Eagles. Fraser made another sensational rush, scoring number 7, and immediately the bell rang.
