EDUCATION OF BLIND The attention of the Department shovelling and carting might have of Education was recently called to been avoided. The cost of this

are growing up without the ad-days. vantage of an education. At the last session of the Legislative Assembly the matter was discussed and it was decided to place a sum in the estimates to defray the expenses of educating these children if satisfa on y arrangements could be made with some institution. The Department now announces that such arrangements have been made with the Ontario authorities who have agreed to admit to the Institution to the Blind at Brantford our blind children. Parents and friends of these children who are interested in their education

CANADIAN GRAIN RATES.

them enter the Brantford school.

The following article is repro- Medicine Hat climate. duced from Farm Stock & Home, one of the ablest and most careful agricultural papers of the United States, published at Minneapolis. QUESTION.

"A few of us farmers are thinkif we get far from water transpor- Council and board of Trade should tation that rail rates will eat up be urged to keep on agitating for the profits on wheat and other the bridge. grains, since the rates are so much higher there than on our roads in the States. They say the Canadian Agents in all principal cities of Canada, the States. They say the Canada elections is undoubted, and their United States and Great Britain Pacific, having no competition, can is every prospect of a progressive Interest Allowed on Deposits in pleased to get very high rates as compared with ours and they are

> Some N.D. Farmers. ANSWER.

from Winnipeg to Port Arthur, the Northern road lying before us ability to carry the obligation. shows us that it charges that much for a 140 mile haul. From Brandon to Port Arthur, 564 miles, the rate is 13 cents. The G.N. charges the same from Barnesville to Minneapolis, 218 miles, and for a 523 mile haul it charges 18 cents, from Minot to Minneapolis. The C.P.R. charge from Moose Jaw, 824 miles, is 18 cents, while the G.N. charge is 25 cents from Williston, 644 miles. The C.P.R. rate from Edmonton, the centre of a from Edmonton, the centre of a great wheat growing district is 28 cents, and the distance is 1493 miles. Many more comparisons could be given, but these are typi-

to the Great Northern. It requires no argument to convince one that our roads can afford to transport grain cheaper than the C.P.R. can, because they run through more thickly - settled regions, creating immensely more White Cooks and

traffic each way. It is not pleasant to give infor prosperity certainly corrupts the makes one feel it is encouraging John F.
