GOOD YEAR FOR SONS OF TEMPERANCE

Rev. C. Flemington is Again Chosen Grand Worthy Patriarch.

REV. C. W. HAMILTON ELECTED GRAND SCRIBE.

Annual Meeting of the Grand Division Opened at St. John last Week—Reports Show Activity and Interest.

At the first session of the annual meeting of the Grand Division last week, Rev. C. Flemington, of Point de Bute, was re-elected grand worthy patriarch for the ensuing year and Rev. C. W. Hamilton, grand scribe. The reports of the various officers were handed in and referred to the usual committees. These reports were all of a very encouraging nature and showed that the order is in a healthy condition both numerically and financially.

After the opening exercises six candidates were initiated. The attendance is large and many delegates were present from outside points. The first report received was that of the grand worthy patriarch.

GRAND WORTHY PATRIARCH'S REPORT.

Rev. C. Flemington, G. W. P., in opening his report spoke of the general progress made by the order since the last meeting of the grand division. Rev. C. W. Hamilton, he said, was in the field and was carrying on a vigorous campaign and another speaker, E. Tennyson Smith, would soon arrive in this city.

Three new divisions have been organized—one each at Campbellton, Dalhousie and Port Elgin. Besides these Rev. Mr. Flemington said he hoped within the next two or three weeks to start the work at two other points in the province.

The excellent work which has been done by the district division for Westmorland and Albert counties, recently organized was touched upon and the G. W. P. said it would be made the subject of a report later in the session by District Worthy Patriarch Clarence Hicks. During the year these district divisions have been established at Harcourt, Point de Bute, Sackville, Baie Verte and Port Elgin. Rev. Mr. Flemington commented on the great utility of these organizations and urged all subordinate divisions within the districts named to send delegates to the meetings. He went on to say that if all districts were organized in that manner it would be found necessary for the grand division to meet once a year instead of twice as at present.

The report concluded with a synopsis of the work of the G. W. P. during the past six months as follows: Public meetings addressed, 12; public installations of officers, 10; visits to district divisions, 10; committee meetings attended, 6; letters written, 150; candidates initiated, 120; miles travelled, 3,000.

The report of the grand scribe, E. A. Everett, which was also very cheering in tone, was as follows:

GRAND SCRIBE.

Grand Scribe E. A. Everett, in presenting his report, referred to the organization of the N. B. Temperance Federation, to the temperance legislation procured since the last meeting of the grand division

and the coming campaign of E. Tennyson Smith in this city.

Touching reference was made to the death of two members of the grand divisions—Rev. J. D. Murray of Red Bank, Northumberland county, who was a P. G. W. P. of the order and Jacob I. Keirstead, of Collina, Kings county, P. G. W. Associate. Reference to propagation work, the grand scribe said that Rev. C. W. Hamilton has been in the field a month.

Returns were in from 29 divisions for the six months ended June 30 and from 28 for the six months ended Sept. 30. From these returns, the grand scribe went on, the following figures, which are approximately correct have been compiled.

New members initiated by taking the pledge, by card and re-statement, 429; members suspended for violation of the pledge, expelled, withdrawn and died, 207; a net gain of 222. On Sept. 30 last there were in the order 2,315 active members in 48 divisions, while on Sept. 30, 1905, there were 2,166 active members with 47 divisions.

The grand scribe concluded his report by saying that, owing to some changes which have taken place in his private business, he would be unable to again accept nomination for the office. He would, however, be glad to render all the assistance in his power to his successor.

FINANCES.

Flemington, of Point de Bute, was re-elected G. W. P.; G. R. Carson, G. W. A.; Rev. C. W. Hamilton, G. S.; Thos. H. Lawson, St. John, G. T.; Jas. Falconer, G. Chap.; A. E. ENTIRE CREW WERE LOST.

Adeona, Wrecked at Richibucto, Lost Eleven Men.

Richibucto, N. B., Nov. 8.—With the fragments of the Norwegian design flying at her mizen as a signal of distress, the bark Adeona abandoned in terror by her crew, still holds together on the sand bar at the entrance to this harbor. The men, eleven all told, are believed to have been swept away to their death by the huge breakers and the under-tow as they tempted to leave the vessel in the long boat on Monday last.

As yet but two bodies have been washed ashore, and owing to the continued fury of the gale it has been impossible to approach the ship, but the lighthouse keeper, from his post, a quarter of a mile away and the pilots as they venture with their craft almost without grip of the breakers, report no sign of life on the Adeona's decks and the belief that all have perished is reluctantly becoming a certainty.

CANADA'S POSTAL REVENUE IS FORGING AHEAD.

Ottawa, Nov. 7.—Canada's postal revenue is forging ahead at an astonishing rate. For the month of October it amounts to \$660,796 a gain of \$150,441 and \$286,847, respectively, when compared with the same month in 1905 and 1898. For the four months ending October 31st, the total receipts of the Post Office Department were \$2,450,065, as against \$2,136,066 for the same months of 1905-06 and of \$1,418,728 for the first four months of the fiscal year 1898-9.

THE COUNTRY NEWSPAPERS.

It occurred to us this week as we ran over our forty or fifty exchanges, to note the moral tone of them. These papers are of all sizes and grades, from every variety of town, and are edited by practical men who are pretty well acquainted with the world, the flesh and the devil. In not one of them did we find a case of immorality. In not one of them did we find a semblance of defense for whisky. In not one of them was there a trace of vulgarity, and none taught or justified dishonesty. Neither could we find a sneer at purity, at religion, at the better things of life. In many of them were bits of excellent advice, little homely sermons on temperance, frugality and industry. All of them were loyal to the home town, and advocated honest principles in government and individuals. Wherever there was mention of the public schools it was in terms of praise. To be sure, here and there was some fun poked at shams, some scorn at pretence. But the note in every one of these two-score papers was for decency, progress, enlightenment, morality. And of these editors, we know many of them personally, and of all those we know not one is a drinking man, and not one is a gambler, not one is a libertine. Most of them are well read, most of them good judges of people and events. A pretty decent lot they are; in fact, we doubt if any other profession can offer a higher—or even as high a—showing. Besides all this, the country editor is proverbially liberal, free-hearted in every way. No stray printer goes away hungry if he has a quarter. No public subscription list ever passed him without his mite. He gives freely of time and space to the public welfare. This is not an effort to throw a bouquet at our contemporaries, but, with Paul, we believe every man should magnify his calling, and we are proud of ours.—Press and Printer.
