TIGERS OR THE ARGONAUTS?

Toronto Fans Much Worked Up Over Saturday's Game.

Jack Johnson and Jack O'Brien Are Matched—Berry Maid Won the Beldame Handicap for Fillies—The Federation "Blacklists" Fifty-six Runners.

The first of the home and home games which the Tigers and Dundas Intermediates will play to decide the winner of this district, and the one to go into the finals for the championships will be played at the Cricket grounds on Saturday and that it will be a great game is certain.

That there will be a tremendous crowd is likewise certain for Dundas has always been a good drawing card. The teams will not be greatly changed from those that played here some weeks ago and defeated Dundas but were defeated when they played in Dundas.

Toronto Mail:—Much uneasiness is being felt in Hamilton over the outcome of the game with the Argonauts here at Varsity Field Saturday. Unless the Tigers win from the Argonauts they will be tied with Ottawa for second place, and the striped champions of former years want that position undisputed.

Notwithstanding the reports from Toronto regarding the Tigers, the "jungle imps" are quite frisky and are confident of defeating the Argonauts at Toronto on Saturday. There will be few changes in the team, Charlie Martin has showed up well at practice and will be on the wing line in Saturday's game.

Quite a number of the players are anxious to meet the Montreal team again and they are urging the Executive Committee to ask the Montreal Club for another game. The boys are willing to play the easterners on any field and will even go to Montreal for a game. They think they are entitled to a match, each club having defeated the other once.

YOST MAY QUIT WOLVERINES. Chicago, Nov. 14.—In a letter to friends near, Dan McEugan, coach for the Vanderbilt University football team and former Wolverine star, intimates that he will succeed "Hurry-up" Yost as coach for the Ann Arbor squad. Yost has been understood to have determined to quit Michigan University to engage in business, he and McEugan have always been close friends, and the latter has intimated about all the football knowledge Yost can impart. In his letter McEugan says:

"I have been given to understand there will be a place for me at Ann Arbor when Yost decides to give up coaching. I do not believe that fielding will be at Ann Arbor long, as he is as much a success as a business man as he is on the gridiron. For that reason he is anxious to get out of football and engage in business."

If McEugan succeeds Yost it will mean that the alumni coaching system will be adopted for football at Ann Arbor. McEugan has been very successful at Vanderbilt University, building up a formidable name for himself and has frequently mentioned in connection with the position of head coach at Michigan. Yost's teams in the last two years have not been as successful as those in former years. This may be attributed largely to the confusion over conference rules and the disposition of Michigan to sulk unless it had its own way about the game.

KICKER HAS THE MEASLES. Toronto, Nov. 14.—Lawson, the clever half-back of the Varsity intermediate team, developed a case of measles and in consequence the Blue and White second team will be minus his services in their final game against McGill in Montreal Saturday. McArthur will likely be moved in from outside to centre half, and Ryerson may take McArthur's place. Varsity have a lead of eleven points, and expect to pull out ahead despite this misfortune.

34,000 SEATS SOLD. New Haven, Conn., Nov. 14.—Under graduates in Yale and the students in the graduate department received their tickets for the Yale-Princeton game yesterday, cleaning up the list of first applications, so-called. It is announced that while the seating capacity has been increased so that the total is now about 34,000, all tickets have been sold and hundreds of applications cannot be filled. Princeton has taken 1,500 tickets more than two years ago, which was unexpected and the Yale demand was greater than ever.

CORNELL'S NEW SCHEME. Cornell football team is rapidly forging ahead by virtue of the victories over Princeton and West Point. The vacillating coach systems in vogue at Cornell in past years have been productive of few lasting results. Cornell numbers among her alumni a long list of football stars, and this year it dawned upon the "haka" authorities that these famous football players formed an asset of which Cornell should take advantage. Accordingly, the professional system was abolished, and the far-sighted and better system of graduate drilling was inaugurated.

PENN'S SEND OFF.

Philadelphia, Pa., Nov. 13.—Marching behind lines of cheering students, Pennsylvania's football squad left here last night for their Ann Arbor battle. The team will stop at Mount Clemens, 35 miles from Ann Arbor, and hold daily practice there.

A stalwart band of rowers, the cheering brigade, will leave Friday morning. The entire squad was in fine condition, and hope for an easy victory.

FREE KICKS.

Vics, beat Pharmacy in an intermediate interfaculty soccer game yesterday by 1 to 0. The half-time score was the same as that at the end of the contest. In the junior O. R. F. U. series next Saturday Hamilton Y. M. C. A. will play St. Jerome's College at Berlin. Brookville and Parkdale will likely play at Gananoque, the winner to play off with Hamilton or St. Jerome's College, most likely Hamilton.

A verdict of accidental death was returned by a Coroner's jury at Oldbury, Worcester, Eng., in connection with the death of a young player named J. T. "Pooles," who died from injuries sustained in a match at Dudley. The deceased received a kick in the stomach from one of his own team.

Kingston, Nov. 14.—In all probability the protest entered by Queen's on their football game here with Ottawa will be dropped by the home team, as it would not benefit them to any extent. Dr. W. B. Hendry and Harry Griffith intend taking in the Princeton-Yale game at New Haven on Saturday. The popular referee and Inter-Provincial Union secretary joins the ranks of the benedicts today.

Roy Clark, the Argonaut full-back, has been moved to New York by his employers. Secretary J. H. Bay, of the O. R. F. U., says he has heard nothing about his challenge for the Canadian Rugby championships in the senior and intermediate series. He has Peterboro ready to meet the Inter-Collegiate winners.

FASTEST FILLY.

Berry Maid Captured the Beldame Handicap. Aqueeduct, N. Y., Nov. 14.—Berry Maid, running to her best form, easily won the Beldame Handicap, five furlongs, at Aqueeduct. E. Dugan made a claim of foul against the winner, but it was not allowed.

The race: The Beldame Handicap, for fillies, 2-year-olds, 5 furlongs—Berry Maid, 119 (Samuels), 2 to 1; even, 1; Adriana, 88 (E. Dugan), 6 to 5; Exploition, 125 (Miller), 2 to 5; Time, 1:09.25. Mombassa, 110 (J. Lane), Whip Top, Marian Louise and Red Bence, also ran.

Secretary Merry England ran outside the money in the second race. IN THE PADDOCK. Frank Wooten, who rode Demure, the Cesarewitch winner, is only 12 years old. Hazel Patch and Katie B. were the stars of the free-for-all class at the Winnipeg Driving Club's meeting last week. They went half-mile heats, and Hazel Patch, driven by George Spencer, was the winner. He took the first heat in 1:11.2, the third in 1:06.2, and the fourth in 1:06.34. Katie B. piloted by the veteran Barney Barnes, put the second heat in 1:07.1.

Jockey Englander and Diggins were refused admission to Aqueeduct Tuesday because they had been licensed to ride in the east. Starter Dale officiated at the barrier at Aqueeduct on Tuesday. In the place of Mars Cassidy, who was absent from duty on account of the illness of his wife, he was in rare form. He despatched his fields quickly and in good order, and he had not the slightest trouble with the jockeys. They mist him as though they had raced under him all summer.

The Toronto Telegram's sporting man's one best joke yesterday was: "Hamilton proposes establishing night schools for the education of foreigners who have removed in from Dundas recently."

From the Montreal Star: "Colonel Hanbury Williams and his committee will never permit Canada's greatest athletic association to be persecuted by a United States body of men who are trying to make Longboat useless as an amateur, and to drive him into professionalism, simply because he has forgotten that he was once compelled against his will by a United States trainer to take off his hat to the United States flag, and because he declines to run under the Stars and Stripes."

The British committee in charge of the Olympic games, which are to be held in London next year has issued a statement of the amateur definitions which

BASKETBALL UNION.

A Fourteen Club League is Being Framed Up.

Toronto, Nov. 14.—The long-talked-of Inter-provincial Basketball League appears to be in sight at last. At a meeting to discuss the basketball situation held at the Windsor hotel, Montreal, those present being J. E. Morris, of Montreal Y. M. C. A.; Percy Lee, Ottawa Y. M. C. A.; C. H. Ashby, West End Y. M. C. A.; Toronto; Fred Smith, Central Y. M. C. A.; Toronto; N. H. Crow, and J. G. Merrick, of the C. A. A. U. After a thorough discussion of the scheme it was decided to proceed with the organization of a league, and Secretary Crow, of the C. A. A. U. was instructed to draft the necessary plans and complete all arrangements.

The league will be divided into two strong sections, East and West, the winners of each to meet in the finals for the Canadian championship. As far as those present could figure it out, the sections will likely consist of the following teams: East—Montreal Y. M. C. A., Montreal Rail-road Y. M. C. A., Westmount A. C., St. Anne's A. C., Ottawa Y. M. C. A., Ottawa A. C., Edinboro A. C., of Ottawa. West—Toronto Central, West End Y. M. C. A., Hamilton Y. M. C. A., London Y. M. C. A., Brantford Y. M. C. A., London Y. M. C. A., Stratford Y. M. C. A.

This would make the C. A. A. U. league, and one of the strongest and most compact in existence. It is understood that the new league will be run directly by the C. A. A. U.

KEEPING UP FARCE.

Canadian Federation "Blacklists" Runners in Montreal Race.

Montreal, Nov. 14.—Fifty-six runners who competed in last Saturday's road race against Tom Longboat, the Indian runner, who is under the ban of the A. A. U. have been blacklisted by the Amateur Athletic Federation of Canada. As a result these men will be unable to take part in any meets held by, or compete against any athlete of any club of the Federation in this country, or elsewhere, they will be barred from all amateur competition in the United States, as they are all under the A. A. U. ban, which is affiliated with the Federation.

WESTON AT BUFFALO.

Buffalo, Nov. 14.—Edward Payson Weston, the pedestrian, reached the Iroquois Hotel a few minutes before 6 o'clock last evening. He was met by a crowd of at least 1,000 people, which jammed the hotel corridor and entrance. It took half a dozen policemen to clear a passage to the clerk's desk, where the veteran registered. The crowd called for a speech, and Weston was lifted upon the desk, from which he made a most little address. Later on he was tendered a reception at the rooms of the Young Men's Christian Association.

Weston covered the 36 miles between Buffalo and Buffalo in the face of a 40-mile-an-hour gale. He was tired, but in excellent spirits. He will resume his journey to the West early to-morrow morning. Among the physicians who examined Weston to-night was Dr. A. T. Bull, an octogenarian, who made a medical examination of Weston when he passed through Buffalo 40 years ago.

JACK O'BRIEN AGAIN.

The Philadelphia Fakir Matched to Fight Johnson.

New York, Nov. 14.—According to the Times from Pittsburgh, Jack Johnson, heavyweight fighter, was matched yesterday to fight Jack O'Brien. Johnson was represented by his manager while O'Brien took care of his own interests. The Philadelphia man favored a six round bout, to take place in Philadelphia, but will go to the Pacific coast if he can get on for twenty rounds for a good purse. The main point discussed was whether bandages should be permitted. It was finally decided that both bandages and soft-fingered gloves inside the boxing mitt, would be allowed.

MOIR IS FIT.

New York, Nov. 14.—Reports from England have it that Gurney Moir, who will fight Tommy Burns for the heavyweight championship of the world on Dec. 2, at the National Sporting Club of London, is in prime condition.

Moir has been training for a long time, and he declares that he will stop Burns inside of 20 rounds.

SHRUBB BEAT MARSH.

Winnipeg, Nov. 14.—Shrubb, the English champion runner, defeated Marsh, Manitoba champion, last night in a fifteen mile race, thus retrieving the honors lost on an alternate course in the Arden Ring and attracted a fair crowd. Shrubb covered the distance in 1 hour 21 minutes and 42 seconds. Marsh being about two laps behind. The Manitoba would have been much closer had not the Manitoba farmer been obliged to stop and change his shoes during the race, thus losing nearly all the distance which separated the runners at the finish. Shrubb expects to leave almost immediately to give exhibitions in eastern cities.

Kelley, the Ball Player, a Real Irish Wit.

Over at the Pimlico race track recently, there was quite a galaxy of professional baseball players, among the number being Jack Duana, Walter Brodie, McGraw, Robinson, Hugh Jennings, Joe Kelley and Dimppling Mahon. Says The Washington Star: One day this bunch was foregathering in the club house, discussing the needs of the inner man, when who should come in but a Baltimore sport who is noted for his windy ways and the unreliable brand of dope he ladles out.

This chap, according to his tale, has all the bookmakers up a tree, owing to the peculiar manner in which he trims their rolls. He simply has these rather astute gentlemen swollen badly at their game, and his winnings are not small ones. Other, Oh, dear, no. This young Wisenheimer takes the pencil scratchers' kale in hefty bunches—that is, if you listen to Alexander—and he wouldn't lie—at least, he declares he wouldn't, for anything in the world. As he was acquainted with several members of the ball players' party, he ambled over and wanted to buy, but the fellows didn't happen to care for anything, so Mr. Sport sprang out on a chair.

"This racing isn't in it with the kind of stuff we had at the Latonia track last June," he declared. "Why, I was twenty thousand to the good in five days there. And then I put two \$5,000 bets down on Darling Dan. In the first race to show, and another five on Megs Hill to win the third." "What the outcome of these bets was the sporty lad was not allowed to state, for just at that moment Joe Kelley gave a yawn, and as he did he cried out: "Boys, put that piker out of here." And amid the uproarious laughter of those within sound of Kelley's voice the gay youth hot-footed it down the room and passed out of the door leading to the stable paddocks.

BILLIARD TOURNY.

In the evening game, Frank P. Day, of St. Louis, made several remarkable plays, and his innings are not small ones. Other, Oh, dear, no. This young Wisenheimer takes the pencil scratchers' kale in hefty bunches.

WRECK ON TEMISKAMING LINE.

Colablt, Nov. 13.—The Temiskaming & Northern Ontario train due to arrive in Colablt to-day at 2:20 p. m. was over five hours late, as a result of a wreck on the road, about 50 miles this side of North Bay. There was considerable damage to the engine and cars, but no one was hurt.

Henry Hall, formerly of Galt, died at Buffalo at the age of 88.

BEER* BENEFITS THE WHOLE BODY (NO OTHER FOOD-BEVERAGE DOES THAT MUCH)

NOT six people in a thousand (and those six have either diabetes or gouty tendencies) can get anything but real good from the use of good beer with their meals. Because that kind of beer (and no other kind is brewed in Ontario) benefits the whole body of the normal adult—enriches the blood, vitalizes the stomach, makes kidneys and liver active, builds flesh and betters nerves.

Beer Is Not A Mere Tonic

Good beer, drunk with meals and at bedtime, is not merely a tonic—for a tonic simply gets one part of the system to work better for a while, by stimulating its activity, while beer, rightly used, does the whole system permanent good.

Beer Builds Up Thin Folks

That is why good beer is such a notable flesh-builder, and why it is so effective in changing the too-white blood of anemic people into the red, strong, healthy blood of the vigorous. It has qualities that are very valuable to women, especially. It is distinctly NOT an intoxicant, nor a hurtful stimulant. Ask your doctor if beer wouldn't be good for you as an item of daily diet.

* BEER is a term which covers lager, ales, porter, and stout; and in the practice of Ontario brewers, implies beverages made under most hygienic conditions from Ontario barley (the best in the world) malt, hops, and pure water.
