LORD BEAVERBROOK SCHOLARSHIPS

Miss Ina Harriet Roberts, St John, With Four Others Receive Awards

The governors of the Lord Beaverbrook Scholarships held a meeting Friday afternoon and made out the awards for the current year. Those to whom the Scholarships were awarded to are: Miss Ina Harriet Roberts, St. John; Miss Florence Raymond, Fredericton; Fred J. Forster, Sussex; Edith C. Hallet, Sunny Brae, Westmorland and Byron W. Fleeger, Chatham.

These Scholarships are worth \$325 per year for the period of four years. The recipient may attend any Canadian denominational college. This is the third year in which these Scholarships have been awarded and when the above students have gone to college, it will make a total of fifteen attending colleges and who possess the Lord Beaverbrook Scholarships.

The governors are Judge Crockett, of Fredericton, Lieutenant-Governor Pugsley, F. B. Ellis, of St. John and S. D. Simmons, secretary, Fredericton.

BENNY SWIM IS PREPARING FOR THE END ON FRIDAY

As the day approaches for the execution of Benny Swim, the condemned man is keeping up wonderfully although slightly nervous. The woman, Mrs. Boyd, awaiting trial for the murder of her children, occupies a cell on the same floor, and Sheriff Foster, of Carleton County, has given her a gramophone and some records which she plays very often. Swim said to his keeper "That music gets tiresome, but I won't be here long and will not say anything as I suppose it amuses the poor woman."

As sewing or knitting could not be given Mrs. Boyd, it was thought advisable to take up her attention with music. Every day Swim's spiritual adviser, Rev. H. V. Bragdon, spends some time with him and he has expressed a desire to be baptized. Arrangements for carrying out the ceremony will be made in the corridor near his cell. Holmes, the executioner and an assistant will arrive today and complete the preparations for the execution, which is to be carried out in the jail yard on Friday.

CLAIMS SUCCESS

OF FISHERMEN
French fishing circles just now are arguing with much heat the question of how much effect the moon has on fishing, since a few days ago an old-time poacher, who claims to live by nothing else but fishing, produced a diary purporting to show that at various periods of the moon fish were more plentiful than at others, and the catch was more certain. The poacher says he has the record for the last thirty years to prove that fish bite better during the new moon than at any other period. Every day is a good day for fishing during the seven days of the new moon, the fourth and fifth days being the best days and from midnight until 3 p. m. being the best hours, according to this authority.

During the first quarter of the moon the sixth and seventh days are best, the biting being good all through the day. During the period of the full moon the seventh is the best from noon until nightfall. The second day is exceptionally bad for the fishermen.

The last quarter of the moon is the worst period of all, with not a single good day recorded, although it is shown that on the seventh day the fishing is fairly good in the afternoon.

TWO GRADUATES FROM HOSPITAL

The graduation exercises in connection with the Miramichi Hospital Training School for Nurses was held on Thursday evening in the assembly hall of Harkins Academy and was largely attended. There were two graduates this year, Miss Mary Estella Holland, Redbank, and Miss Mary Isabelle Calder, Chatham. The stage was very prettily decorated with cut flowers and a very interesting programme of music and speeches was carried out. G. Percy Burchill, Nelson, president of the board of trustees, presided and presented the nurses with their graduation certificates, while Misses Gertrude Champion and Gertrude Falconer presented them with handsome bouquets of flowers, the gift of the Chatham auxiliary of the Miramichi Hospital Aid and E. H. Sinclair. Following the exercises the nurses and friends were entertained at the hospital.

EMPRESS THEATRE ON THURSDAY

After more than twenty months of studio and laboratory work, "Ladies Must Live," the last production made by the late George Loane Tucker, director of "The Miracle Man," for Paramount distribution, will be shown at the Empress theatre Wednesday and Thursday Betty Compton, now a Paramount star, who was leading woman in "The Miracle Man," is the featured player in the new production.

"Ladies Must Live" was adapted by Mr. Tucker from the Saturday evening Post story by Alice Duer Miller. The work of cutting 140,000 feet of film down to a limited number of reels and the running of the picture over and over again in the projection room, proved a great strain upon Mr. Tucker. While the work of cutting the negative and making a new print was in progress Mr. Tucker made a trip of recuperation to Hawaii but struck the rainy season there and was forced to return to Los Angeles for sunshine. The story of "Ladies Must Live" is said to be one of exceptional appeal and the production is in every respect fully up to the high standard of excellence maintained by Mr. Tucker. The cast is wholly adequate.

HEROIC RESCUE AT MORRISSY BRIDGE

Newcastle Boy Dives Into River And Saves Bridge Superintendent From Drowning

The story of a heroic rescue from the crowning of Mr. Hilton, Superintendent of repair work at the Morrissy Bridge, on Saturday, 4th inst. has just come to light.

The Morrissy Bridge was badly damaged on June 4th, when the Canadian S. S. "Squatter" rammed the draw span, putting the bridge out of commission for the greater part of the summer. The Dominion Bridge Co. of Montreal was given the contract for repairs, and the closing of the bridge was a great inconvenience to the people of the Miramichi, who were anxiously awaiting the re-opening of the bridge.

On Saturday, 4th inst. repairs had been completed and a large number of people were on hand to witness the reopening of the bridge. Mr. Hilton, the Superintendent, was standing on a motor boat, watching the progress of the work, and in the excitement and commotion, lost his balance and fell into the river unnoticed by his fellow workers. When he came to the surface of the water for the first time he was thrown a rope but was unable to grasp it and disappeared for the second time.

Pierce Ronan a Newcastle boy and one of the men employed on the bridge work, without a moment's hesitation, jumped into the river and with great difficulty succeeded in bringing Mr. Hilton to the side of the boat, from where they were both lifted to safety. Mr. Ronan's feat was made more difficult, owing to the fact that he was fully dressed and at the time was wearing a pair of heavy ten inch boots.

A few seconds before Mr. Hilton fell into the water he had returned to Mr. G. Percy Burchill, a parcel containing some \$2000, which he had been holding, and had he still been in possession of the parcel at the time of his falling into the water, it would have gone to the bottom as it contained considerable silver in small change and was quite heavy.

Mr. Ronan who is a married man and a returned soldier, has now three rescues on the Miramichi River to his credit, and is deserving of much recognition for his heroic act.
