Majesty apon an event so pleasing to all her loving subjects in this Island will be submitted for your consideration. It is a matter of deep regret that our fellow-subjects in large sections of India have been for some months past suffering from plague and familier. The emergency has been so great that appeals have been made to the civilised world to provide food for the starving millions. It must be very gratifying to know that the people of this Province have so generously responded to this appeal. The amount already contributed has been extremely liberal, and shows in a marked degree the sympathy of our people towards those in need. The very abundant harvest of the past year should cause us to unite in an expression of deep gratitude to God, the Giver of all good. The increase also in our exports of chesea a debutter, as compared with former years is most satisfactory. The question of Cold Storage is now occupying the minds of the agricultural classes as well as of the business men of Canada. OTEAWA advices say that from the present appearances the civil service of Canada has fallen on ovil days. It is said that the bill to amend the Civil Service Act will make sweeping changes, even to the extent that no appointments hereafter will be of a permanent nature. THE BEST TIME

For some time past it had been re-moured that large numbers of civil ser-vants employed in the different depart-ments at Montreal, would be dismissed, and Jon Saturday thereports were shown to be true. Forty-five employes received notice that their services would not be THE BEST PRICE

On Saturday last, David Shepherd, of Gowan Brae, while at work in his mill, met with a serious accident. In some way his hand came in contact with the circular asw while in motion, and the result was the loss of two fingers. He drove to Sourie where the necessary surgical treatment was received.

FORTY senators and members of the House of Commons waited on Sir Charles Tupper the other day and presented him with a magnificent gold vase, the gift of the senate to Lady Tupper and himself on the occasion of their golden wedding. Sir MacKenzie Howell made the presentation and Sir Charles fittingly replied.

And other very important purchases are now under the consideration of the management.

Development work is progressing rapidly on the properties in every district under the superintendence of mining engineers and superintendents. Several hundred feet of work have already been carried out. Cabins and boarding houses for about 35 men are erected. Large contracts for further work are being let as the o'd ones run out, and every foot of work reveals improved Ore, and more strongly defined leads.

Shipping Ore is now on the dump of many of our properties, and the value of one on the others improves every day.

The Amount of Cash Capital in the Treasury is sufficient to pay for the whole of our properties, also to spend many times cost of each on its development.

The Brokerage Department is all that the Company would wish.

The Western Manager is now in the city, and will be pleased to answer personally all and any questions relating to the Company's properties.
