RIOTS IN FRANCE.

The Department of Arne is an Armed Camp-Rioters Burned Champagne Depot.

Eparnay, France, April 13-Despite the fact that the department infantrymen and dragoons bivouaced throughout the night at almost bottles of champagne they could find Mr. Foster knows it. His statement set fire to the buildings. Women were to the contrary is a deliberate per- foremost in the work of destruction. version of facts, calculated to de- chanting revolutionary airs, and urging on the men. When the troops reached Vinay the women laid down in the road and defied the cavalry to ride over them. Eventually the roops succeeded in getting control of
