\$20,000 is Price  
Of "Neptune."

Job's sealing steamer Neptune,  
which has been sold to the parties  
who went on an exploration trip on  
her two years and a half ago, will  
not pass into the hands of the new  
owner, we understand, until the ship  
gets a new shaft and propeller put  
in position, replacing that which was  
carried away at the icefields this  
spring. The purchase price of the  
Neptune is said to be \$20,000. The  
Neptune was one of the finest and  
staunchest of her class. She was a  
very successful sealer, especially un-  
der command of the late Capt. Sam-  
uel Blandford and brought into this  
port some record trips of fat. On  
two occasions she brought in over  
forty thousand seals. In future she  
will likely be solely engaged in the  
northern regions.

Prisoner Remanded

A young man named Sexton, who  
was arrested on a charge of theft  
from the railway line, was arraigned  
before the Magistrate's Court to-  
day. He was charged with the lar-  
ceny of \$56 which was obtained, it is  
alleged, from the store of Mr. Aubrey  
Crocker, Trinity, and rifling the  
cash drawer. The prisoner was re-  
manded for eight days, not being as-  
ked to plead, pending the investigation  
of other charges by the police.

In view of the international situa-  
tion the King and his ministers can-  
not leave the Capital to be present at  
the unveiling of the Garibaldi monu-

after a meeting of the Cabinet yester-  
day. Its publication produced pro-  
found effect upon public opinion on  
abandonment of plan for participa-  
tion of King Victor Emmanuel and  
high Government officials in cere-  
monies is believed to have been the  
result of a call made by Prince Von  
Buelow upon Foreign Minister Son-

mitted to the Cabinet Ministers who  
will hold another Council to-day.

BOTHAS TROOPS CAPTURE IM-  
PORTANT POST.

CAPE TOWN, To-day.

An official statement says that  
General Botha's Union South African  
troops on Sunday captured Olympia-  
burg, an important post 100 miles east  
of Swakopmund, in German South  
West Africa. The British losses  
were only eight killed Five of  
these men lost their lives in an ex-  
plosion of a mine during the advance  
on Swakop.

RESTRICTIONS ON SALE OF

GERMAN SUBMARINES ORDERED  
TO SINK ALL AMERICAN YES-  
SELS.

LONDON, To-day.

The Financial News prints the fol-  
lowing: It is reported from a Dutch  
source, that German submarines have  
been ordered to sink every American  
vessel sighted, especially passenger  
liners, without regard to loss of Amer-  
ican life, in order to demonstrate  
the absolute impotence of the United  
States.

ULTIMATUM TO CHINA.

TOKIO, To-day.

Minister of Justice Ozaki is quoted

send an ultimatum to China urging  
her to reconsider the decision to make  
no further concessions to Japan.

GERMAN CLAIMS EXAGGERATED.

LONDON, To-day.

German claims of a crushing defeat  
of the Russian centre are exagger-  
ated accounts of local successes, in  
the opinion of Daily Mail's military  
correspondent, who says such exag-  
gerated claims are to be expected just  
now in view of the necessity of in-  
fluencing wavering neutrals. Never-  
theless the German offensive against  
the Russian centre has long been ex-  
pected. For the past month the Ger-  
mans have been moving men to Cra-  
cow. That such a manoeuvre as the  
piercing of the Russian centre was  
envisaged at the time as the serious at-  
tack towards Riga and Ypres shows  
the resources and amazing audacity of  
the German staff. If the Russian front  
has been pierced and a series of re-  
verse suffered, the war will be great-  
ly prolonged, but that any German  
success, however great, will affect the  
resistance of Russia cannot be be-  
lieved.

CHARLES W. HOLLANDS.

The Nickel Theatre.

Editor Evening Telegram.

Sir,—On looking at the advertise-  
ment of the Nickel Theatre, this  
morning, I was surprised and dis-  
gusted to find that the management  
intend to show us a "Banner Week"  
the "Triumphal" Entry of the Ger-  
man Army into Brussels." This Tri-  
umphal March was arranged by the  
Germans as a studied insult and de-  
gradation of our gallant allies, the  
Belgians, for whose protection we are  
pouring out blood like water and in  
which Newfoundland is involved as a  
part of our glorious Empire, many of  
whose sons have already paid the  
price. To put this film on at such a  
time shows at least an extraordinary  
want of good taste, is much to be  
deplored and should be prevented.  
The announcement alone is a dis-  
graceful insult to Newfoundland, and  
the showing of the film would be im-  
possible in any other part of the Em-  
pire.

Yours truly,

J. E. DEMPSTER.

Should Be Withdrawn.

Editor Evening Telegram.

Dear Sir,—I was astonished to see  
advertised as a leading film in the  
Nickel Theatre, "Triumphal March of  
the Germans through Brussels." This  
glorification of the Piratical and Bar-  
barous German Army and nation is  
an insult to our valiant and martyred  
Belgian Allies and an offence to all  
lovers of freedom. It certainly  
should be withdrawn.

Yours truly,

J. VALENTINE.

Obituary.

ANDREW IVANY.

There passed peacefully away early  
yesterday morning a well known and  
highly esteemed young man in the  
person of Andrew Ivany, son of Mary  
and the late James Ivany. The de-  
ceased was in his 25th year, and had  
been ailing for about eighteen months  
past. He was for six years steward  
on the S.S. Bellaventure, a position  
he filled very creditably. To his sor-  
rowing mother, brother and five sis-  
ters the Telegram extends sincerest  
sympathy. The funeral will take  
place to-morrow from the late resi-  
dence of the deceased, Angel Place.

McMurdo's Store News.

TUESDAY, May 4th.

To-day we are able to announce  
the coming of our peas and beans,  
which have been delayed owing to  
the difficulty of obtaining shipping  
facilities and the delays in securing a  
license from the Home Authorities as  
peas and beans, even when used for  
seed purposes, are of course re-  
stricted. We are now able to supply  
peas and beans to be allowed to leave  
the country. We take this opportunity  
of informing all who have sent in or-  
ders for peas and beans that we shall  
now be able to send them on, and to  
those who have not yet sent their  
orders that we can now supply peas  
and beans immediately on receiving  
their commands. All these peas and  
beans are Sutton's pack and of the  
first quality. Price as announced in  
catalogue.

The Best Show  
Ever Seen at Rossley's

Crowded again last night at Ros-

der, for there is one of the best pro-  
grammes ever given. Mr. Ballard  
Brown and the more than popular  
Madge Locke, as Black Topsy, had  
the house in roars. Can any one im-  
agine Juliet from Shakespeare of last  
week being the rollicking nigger of  
last night, and goes to prove the  
many character studies this lady is  
capable of. The songs and dances  
were all good; the wonderful features  
circus catastrophe is the most thrill-  
ing picture ever witnessed. Such  
daring, such feats performed by  
those circus artists before a camera  
is past belief, but there it is. The  
audience last night were spellbound,  
many not daring to look at those  
thrilling feats. Rossley's orchestra  
added some great new selections for  
which the leader Mr. A. Crocker, is  
famous. There is no doubt Mr. Ros-  
sley has got some real musicians to-

city.
