FURNITURE Sale.

No explanation or elaboration of the Furniture Sale is necessary. People already know what we mean, as we can prove to the most skeptical that the very best class of Furniture can be bought here now at decisively lower prices than it usually brings. In other words, the person that has a certain sum of money to spend in furniture can get one-third more furniture one-third better or save one-third in cost. We have been preparing for this Sale for some time, and have now some of the greatest values to offer, especially in Beds, Springs and Mattresses.

But the backbone of the event is of course the vast array of Furniture of the moderate kind—which the average home demands—substantial, well-built Furniture, that gives comfort and satisfaction through years of steady service. Come and inspect the furniture at your leisure and feel at perfect liberty to ask all the questions you like without incurring the slightest obligation to buy. Out of town folks will find it to their advantage when in town to see us. Young people getting married should certainly see us, as we arrange terms to suit them and will store and hold goods until required—doing it in a number of cases now. Can make anything to order. Have solid Oak Parlor Suites, solid Oak Table, solid Oak Buffet going through factory for us now—sold.

are said to be an improvement on the French model, and it is reported here they have been used with conspicuous success at Point Corinthis, where they are said to have silenced an Austrian battery which was served by Bavarians. Another incident in the fighting in the high mountains, is the case of an Italian lieutenant who, with eighty-five men, forced the passage of Agno Valley and held at bay for one hour a company and a half of Bavarians armed with maxims. The Italian artillery finally arrived and scattered the Bavarians. The lieutenant, however, had been killed.

Reception and Field Committees were appointed for the opening game, which is set down to come off on June 16th, it being considered advisable to start on that date instead of June 9th, as originally intended, in order to give the teams practice. The first clash will be between the Wanderers and Cubs. Mr. W. G. Gosling intimated his willingness to throw the first ball on opening day. The entire proceeds of this match will be donated to the Patriotic Fund.
