HE'LL STEAL YOUR HEART AWAY

If It Weren't for the Irish and the Jews

Where else would you find the comedy possibilities of such a firm as Kelly and Ginsberg? Here's the story of a 10-year-old Irish-American kid burned out of an orphanage who becomes the partner of an old Jewish junk dealer. It's the funniest and yet the most human of Jackie's pictures; a story out of the heart.

When CHIROPRACTIC has such a remarkable record for getting sick people well? If you are complaining of any ailment and cannot get relief by your present method of treatment, do not hesitate to employ CHIROPRACTIC as your salvation. Throw all prejudice to the winds, you are the one that is suffering, not your supposed friends who may try to influence you away from the blessings that you will find in CHIROPRACTIC. For once use a little COMMON SENSE; you were given a mind to think in logic terms, so when you find that your ailment is not responding to your efforts to get well, have CHIROPRACTIC to lift you out of the rut. Get your spine examined by a COM. PETENT CHIROPRACTOR, he will locate and adjust the displaced vertebrae (one of the 24 bones of the spine) that is pressing on the nerves, stopping the flow of MENTAL IMPUL-SES (life force) from the BRAIN over the nerves to the part of the body affected. Then NATURE, LIFE, FORCE, the only back to normal health, of which all mankind is entitled to. My slogan is: YOU CAN GET WELL and I CAN HELP YOU. If there is one spark of life within your body there is hope. So NOW, not to-morrow, embrace CHIROPRACTIC as your method to regain your health, and always KEEP SMILING, health will
