Chicago, June 3—The remains of Gen. S. A. Douglas were this morning transferred from their first resting place to the mausoleum. Large numbers of citizens and strangers were present. Boston, June 4th—Weston, the pedestrian, commenced a walking match in Riverside Park yesterday afternoon for 100 miles in 23 consecutive hours, for a wager of \$2,500. New York, June 4—Herald Abyssinia special says General Napier was continuing his march in evacuation of the territory towards the sea coast. The rear column had passed Senafe, and the last posts on the route.—Napier reports that the rainy season had set in with the usual violence and disastrous consequences to the inhabitants of the lower lands.—The flood running through the Sorroo file, a vast mountain gorge, was already in such volume that 600 natives have been drowned. DIED.—At his brother's residence, Meadowbank, Lower Norwood, London, England, on 16th May, William Wilson, Esq., second son of the late George Wilson, Esq., of Glasgow, Scotland, of Sydney, N. S. Wales, and latterly of Guelph, Canada West, at the age of 36.

COMMERCIAL.

Guelph Markets. The Market, so far as the delivery of all kinds of produce is concerned, has been fair for the week. But grain has tumbled down in value, and there seems but little prospect of its rising for some time. It goes down in England, it goes down in the States, it goes down everywhere. It is only local competition that keeps it in this market at the figures quoted, the buyers themselves say that they do not really want what they are paying for it, but those who have mills wish to keep them running, and those who do not do not like to quit the market. A quote to-day the extreme bill price of wheat at \$1.20, a difference of no more than 18c. since last week. The coarsest flour, it will readily be observed, have tumbled in proportion. Hay is also down there appears to be no article in which there is a tendency to a rise with single exception of wool. On Wednesday about 8000 lbs. were brought to market, and commanded a ready sale at a 20c. to 26c. in bills, which is an improvement of about one cent per lb. on price at which wool has stood since that bundle was brought to market a couple of weeks ago.

FRENCH TROTTER STALLION, ROUVILLE ST. LAWRENCE

WILL stand for Mares at his own stable, at the Anglo-American Hotel, Guelph, this season. Terms same as last year, \$8, \$5 and \$3. This is the best made horse and fastest trotter in the County of Wellington. He is of the stock of the fastest trotting horses on record. His sire was sold for \$500; his time on Long Island Course being 2:24; his dam trotted on the New York Fashion Course in 2:59; his dam's full sister has made her time in 2:28, and is now owned by the celebrated horseman, Robert Bonner, of the New York Ledger. In consequence of the bad judgment of the judges appointed at the last Horse Show at Guelph, I will not dispute my horse by travelling against such a horse as got the first prize in his class shown. Favoritism and want of judgment is the general rule now adopted, so that no good horse should be expected to show here another season.

India & China Tea Co.

Home Depot at London and Liverpool. Canada Depot, 23 Hospital Street, Montreal.

THE India and China Tea Company begs to call the attention of the Canadian community to their directly imported Teas, which for purity and excellence will be found unequalled. The Company have made arrangements whereby they have secured the entire produce of some of the best plantations in Assam and on the slopes of the Himalayas, and by a judicious blending of these magnificent Teas with the best varieties of China produce, they are enabled to offer to the public Tea of quality and flavour hitherto unknown to the general consumer. These Teas are in high favour in England and France, and a single trial will prove their superiority.

The Company supply two qualities only, either Black, Green or Mixed. Their Black Teas will be found to possess great brightness and flavour, combined with colour and strength, and to be entirely different to the flat and rapid article usually sold as Black Tea, while their Green Teas are altogether free from the deleterious mineral powder commonly used for coloring the leaf.

PRICES: Rich, full-flavoured Tea, for family use a real genuine and fine article 70 cents per lb. Finest quality procurable, one dollar per lb. The above can be had either Black, Green or Mixed.

To be had in packets of Quarter Pound Half Pound, One Pound, and upwards, or in tin canisters of 5 lbs. and upwards, from the Company's Agents in all the chief towns of Canada.—N. B. All the packages are lined with foil paper, and the Tea will consequently retain its flavour any length of time. On sale via.—All packages have the Company's trade-mark without which none are genuine.
