COMMENDABLE PROMPTITUDE.

A Resident of St. John, N. B., Makes a Successful Trial of Dodd's Kidney Pills.

St. John, N. B., July 8.—Mr. Robert Moore, residing in Indiantown, a suburb of this city, has recently made what is allowed by all who are acquainted with the facts to be a most remarkable recovery. He has been a sufferer from a serious complaint of the kidneys for over seven years, and during that time has suffered excruciatingly. He has also suffered considerably in pocket, having paid large sums for medical advice. Quite recently he happened to read of the many cures effected by Dodd's Kidney Pills, and with commendable promptitude made a trial of them, with the result that after taking three boxes of the remedy he was entirely restored to health.

Revival of Trade.

Reports from the United States support the view that trade interests have vastly improved recently and that the business outlook for the future is encouraging. This will be welcome news to the people of Canada, since our own trade interest will be stimulated and improved. In nothing has this improvement been shown in a more marked way than in the increased sales of Putnam's Painless Corn Extractor. Times being dull, everything not absolutely needed became a luxury, and its sale became stationary. Now it is different. Sales have increased vastly, doubtless as it has proven the only safe, sure and painless remedy for corns, and wise people will use no other.

A mean landlord raised the rent of one of his houses because the walls have bulged out, and therefore made the house larger.

We have no hesitation in saying that Dr. J. D. Kellogg's Dysentery Cordial is without doubt the best medicine ever introduced for dysentery, diarrhea, cholera and all summer complaints, sea sickness, etc. It promptly gives relief, and never fails to effect a positive cure. Mothers should never be without a bottle when their children are teething.

Painless extraction of teeth. Gold and porcelain crowning. Dr. ZIEGLER, 192 1-2 Dundas street. ywt

A Noble Ambition

"When I left Oakville, I vowed I would not be contented till I had sent one hundred persons there. It may take ten years, but I will do it." The foregoing is an extract from a letter received from an old patient residing at London, Ont., and will afford to the interested reader a fair indication of the spirit that actuates the large majority of those who have experienced the benefits of the treatment at "Lakehurst Sanitarium," Oakville, for alcoholism. Victims of this fearful appetite usually get the credit for being selfish and vicious. Any course of treatment which will produce men whose highest ambition is to save others must be regarded as little short of perfection itself. Every man suffering from an appetite for stimulants should take this treatment and give his true manhood a chance to develop. The result will be gratifying alike to himself and to everyone who knows him. Full information and pamphlets at 28 Bank of Commerce Chambers, Toronto, or of J. A. Tracy, 417 Hill street, London. xt
