## Bulgar and Greek Drifting Into War

London, April 22 .- Bulgaria and Greece are rapidly drifting towards war over the possession of Saleniki, according to the Chronicle's correspondent at that town.

The Greeks have mobilized every available soldier and concentrated one army in the neighborhood of Saloniki, while another is being landed at Orfani, in the Gulf of Orfani, in order to watch the move-ments of the Bulgarians at Drama and Kavala. The victorious Epirus from Janina is being d.stributed along the new strategical front from Saloniki to Orfani.

nom Saloniki to Oriani. In the meantime, adds the correspondent, the Bulgarians have suspended passenger traffic between Dedeagatch and Saloniki, and are utilizing the railway for the concentration of troops in the neigh-borhood of Drama, close to the Creek position. They have already brought one division each from Adrianople, Tachatalja and Bulair, and it is estimated that the Bulgars now have 90.000 soldiers facing and it is estimated that the Bulgars now have 90,000 soldiers facing the Greeks, and Servian force, supporting the Greeks, which is assembling along the railway north of Saloniki and on the right bank of the Vardar, River.

## GOVT. FEARS LIB. CRITICS WANT TO PROROGUE NOW BUT MR. ROWELL IS FIRM

[Special to The Advertiser.] forts are being made by the Government to "break down" the Liberals and here to break down" the Literais and have the Legislature prorogue this weak. It is not usual for work to be laid out for committees on Monday, but yesterday morning the public ac-counts had a three-hours' session. The House ther started and continued sit. House then started and continued sitting until nearly 2 o'clock this morn-ing. There was plenty of business and plenty of talk. The Government memand are anxious to tire their nimble opponents across the floor.

KIDNEYS WERE SO SORE Pompeian Massage Cream, 50c and 75c Jar, at Tollet Counter. DIDN'T KNOW WHAT TO DO.

### GRAVEL AND SMALL STONES PASSED THROUGH THE URINE.

One of the most painful forms of kidney disease is Gravel or Stone in the Bladder, and is caused by the acid and lime in the blood uniting and forming a gritty sub-stance which lodges in the inner surfaces of the kidneys or bladder, and sets up a painful irritation.

To relieve these terrible pains it is necessary to keep the kidneys healthy for healthy kidneys secret fluids that dissolve the gravel and stones, and they pass out through the urine harmlessly and without pain.

Mrs. Elmire Baldwin, Windsor, Ont., writes:—"I was so weak I could not do my own work. I tried many doctors, and every one of them told me to go to some institution. Reading of Doan's Kidney Pills, I tried them, and am now well, and can recommend them to all. My kidneys were so sore I did not know what to do, but after using the Doan's Kidney Pills, you would be surprised at all the gravel and small stones that passed through my urine. Now I am well and

ed through my urine. Now I am wen and able to do my own work." Doan's Kidney Pills are 50 cents per box, 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. When ordering direct, specify "Doan's."

His Comedy, "The Harbor Watch," Produced in London.

London, April 22.—Rudyard Kip-ling made his debut as a playwright at matinee at the Royalty Theatre day, when his comedy, "The Harbor Watch," was produced. The play is ractically a transcript of his "Bonds of Discipline," one of whose minor characters, the drunken marine, Edward Glass, becomes a hero. The piece is full of Kiplingesque humor and kept the audience laughing. The critics predict that it will be a suc-Brantford Girl Fainted Over Redhot
