VOICE OF THE PEOPLE P

The Floor-Space Problem.

To the Editor of The Advertise It is putting it too strong to give, as "Outside Subscriber" does, the same name to the two things. One is colname to the two things. One is collecting for ourrent that is not delivered on the excuse of a floor-space tariff; in the other it is not denied that the Adam Beck system used its political influence to throw the local company out of the to throw the local company out of the postoffice, and then when it failed to supply "the juice," it clandestinely hooked on to the evicted company's They are allke only so far as staking value without giving to the Holy Angels Church in St. ydro is taking value without giving In an average working nan's home like mine, the current used gnificant. In my boss's house, wit lectric stoves, etc., the floor space oesn't bulk much. That is how I hel pay for his current. "Outside Sub ber" is right when he says that the -space basis makes the poor man pay for the rich man's light, and ye dam Beck comes to the factory rangue the men at election times, d is introduced as a "workingman" Editor, to ask you if William Gam mage and some others we voted fo stmas have power to decide how ighting shall be paid, whether by floor pace or on the honest basis of the uantity actually used. Some of the nen say that question is decided in Toronto. We would like to know.
