Mr. Hume moved for a return

ing: (a.) The amount of timber dues lected from each mill owner in Kootenay, giving the name of owner and amount paid by such ow (b.) The amounts collected from panies or private parties upon cordw giving name of companies and amo giving name of companies and amo baid by each;

(c.) Giving the names of collectors mounts collected by each for the

The Premier had no objection to the amount of work necessitated by number of extended returns asked was apt to make more help require the land, and a more help require the lands and works department.

The motion was carried. The motion was carried. Mr. Kellie introduced a bill to in porate the Trail Water Co., which read a first time and referred to the wate bill committee vate bills committee.

Mr. Macpherson moved, seconded Mr. Forster, for copies of all corres dence, including surveyors' reports, lating to any lands alienated or le under the provisions of the "Land 1896.

This was carried.

Dr. Walkem moved, seconded by Helmcken, for all correspondence Intermeten, for all correspondence tween any member of the governa and County Court Judge Forin, ei before or after his appointment s county court judge, in connection his appointment of stipendiary m trate, with the accompanying en ment of \$500 per annum, for the pose of giving effect to the "Small D Act."

Act." a tring enect to the "Small L Dr. Walkem in support of his res tion said that the institution of Small Debts court had transferr quantity of the County court work to Small Debts court, and he objecte the province giving the County of judges additional emolument to salaries paid by the Dominion, losing the fees that would have brought in if the cases were tried in County oper.

Hon Mr. Eberts had no objectio

Hon M. Eberts had no objectio the motion, but wished to explain position of Judge Forin. The duti Judge Forin were very onerous, a had not only to perform those of Co court judge, but also to act as local j of the Supreme court. The Co court judges had been appointed by Dominion on the distinct understan that the province was to supplement salaries by a sum of at least \$50 their duties as stipendiary magist and with a view to carrying out the of the house expressed last session arrangement had been made with J Form that for the additional sum of he was to sit in the Small Debts of and to hand in all the fees to the
