SEVERE PAINS
IN THE GROIN.
Trying Experience of a Well Known
Citizen in St. John, N. B.
The case of Mr. Chas. F. Olive, for years
foreman in the "Gazette" of St. John, N.
B., is a striking evidence of the power of
Ferrozone.
No remedy has such a record for restoring
sufferers from acute stomach and kidney
trouble as invariably does cure.
"For several years" writes Mr. Olive,
"I have had kidney trouble and until quite
recently I suffered torture. A few months
ago my condition assumed a very serious
form. I consulted several city doctors,
used different pills, but without the slight-
est benefit. I suffered from an intense
pain in the groin, and the increasing se-
riousness of my trouble prompted me to try
Ferrozone. It gave me quick relief, and a
half-a-dozen boxes cured. Ferrozone I can
recommend as a specific for disordered kid-
neys."
Won't you try Ferrozone too, 50c. per
box of all dealers.

BOSANQUET COUNCIL.
Council met on the 3rd inst. All the
members present. Minutes read and
confirmed.

son be paid \$10, putting township share
of the drain on proof line, con. 11; W. J.
Brander \$6, equalizing school sections 8
and 14, Stephen and Bosanquet at \$2
attending court of revision.—Carried.
Wm. Bowden, Chas. Maidment and W.
Levitt were each paid 90 cts. for assist-
ing the engineer restake S. B. drain, and
the clerk \$2 for serving notices of appeal
on assessment roll and \$50 on salary.
The clerk was instructed to notify
Gillis McPherson to remove tree tops and
other obstructions from the McPherson
drain on his lot in Bosanquet by the 15th
inst., and if not removed within the time
specified the council will cause the same
to be removed at his expense.
The reeve and Mr. Melville were in-
structed to have the Nesbit drain repaired
on lot 28, con. 4.
The Duffus drain bylaw was finally
passed and a bylaw was passed appropri-
ating \$270.08 to road division No. 1,
\$299.42 to No. 2, \$364.52 to No. 3 and
\$415.96 to No. 4.
The reeve and Mr. Russell were ap-
pointed commissioners for the Duffus
drain.
It was decided to build an arch bridge
at lot 67, lake road, and the work was
given to John Patterson.
Council adjourned to meet on Tues-
day, July 2nd, at 10 a. m., when the en-
gineer's report for the construction of
the proposed Gilliard drain will be read
and considered.

HIGH COURT OF JUSTICE.
Cases Heard Before Mr. Justice Brit-
ton.
The first case to come up before the
court was that of Greer vs. Mayhew.
Mrs. Mary Greer asked to have a deed
set aside which deed she says she never
executed, and that she was improperly
ejected from her property. The defence
claimed that the issues in the present
action were all determined at a previous
trial. The case was dismissed. Mr.
Stewart, London, for plaintiff; N. S. Gurd
for defendant.
Gauld vs. C. T. R. Co.—A claim to re-
cover damages for flooding of lands by
stoppage of a drain by the railway com-
pany was settled out of court. Hanna,
LeSueur & Price, for plaintiff; W. H.
Biggar for defendant.
Wilson vs. Thomas—Action to have it
declared that plaintiff is owner of lease-
hold interests in certain lands in Moore,
and entitled to priority in lease of land in
question. Consent judgement given in
favor of plaintiff; Kittermaster & Gurd
for defendants.

Drowned in Pail of Water.
Wallceburg, June 1.—The nineteen
months old daughter of Joseph Raymond,
of this place, was drowned in a pail of
water at 11 o'clock on Friday morning.
The little girl, it is supposed, toddled
up to the pail and seeing her reflection in
the water, leaned over and fell in.
