CLEMENTSPORT

The Sunday School Convention of
this district was held in the Methodist
Church here on the afternoon and eve-
ning of Monday, April 29th. A very
interesting program was gone through
with, the result of which will no doubt
be the means of aiding and helping
the various schools of the district in
their work. Several very able and in-
teresting papers were read and ad-
dresses given by those present as well
as some very profitable hints on Sun-
day School work by means of the
"Round Table" conducted by Mrs.
Whitman, of Granville Ferry. Indeed
all seemed to be of the opinion that
it was the best Convention held in
this district for some time. W. C.
Jones, president, occupied the chair,
and Mrs. Fred Jones, District Secre-
tary, performed the duty of secretary.
Miss Annie Young, County Secretary,
from Paradise, was present and read a
very profitable paper. The Revs. Mr.
Martell, Mr. Carter and Mr. Hennessey
were present and did much to make
the meeting a success. Among the
ladies who read papers, besides Miss
Young already mentioned, were Mrs.
Martell and Miss McClelland. The offi-
cers elect for the coming year are L.
Sproule, President; Mrs. F. Jones,
Secretary; W. C. Jones, Educational
Department; Mrs. W. C. Jones, Tem-
perance Department, with Mrs. G.
Jones and Mrs. P. Carter assistants.
Mrs. A. D. Ross, Credit Roll. There is
also the Home Department to be man-
aged by some of the above named
persons. The reports of Superintend-
ents were very cheerful and progress
seems to have been made during year
just closed in most all the schools in
the district. May the good work go
on.

RELIEF FROM RHEUMATIC PAINS.

"I suffered with rheumatism for over
two years," said Mr. Rolland Curry, a
patrolman, of Key West, Fla. "Some-
times it settled in my knees and lamed
me so I could hardly walk, at other
times it would be in my hands and
feet so I was incapacitated for duty.
One night when I was in severe pain
and lame from it my wife sent to the
drug store here and came back with a
bottle of Chamberlain's Pain Balm. I
was rubbed with it and found the pain
had nearly gone during the night. I
kept on using it for a little more than
two weeks and found that it drove the
rheumatism away. I have not had
any trouble from that disease for over
three months." For sale by W. A.
