

**NEWS FROM EUROPE.**

The packet ship Rochester, has arrived at New York, bringing London dates to the 5th of December,—two days later than those received by the Britannia.

In England, the hopes of the manufacturers are reviving.

The Chinese completed the payment of the first two instalments to the English.

At Calcutta, on the 30th September, a dreadful explosion of gunpowder took place, in the China Bazaar. Thirty-five persons were killed, and a number of others were injured.

The town of Pergamos, in Asia Minor, has sustained great injury from a flood. In the Turkish quarter the damage was greatest. Upwards of 400 persons lost their lives.

**TURKEY AND RUSSIA.**—The following is translated from the Universell of Leipzig:—"A rumor is in circulation on the frontiers of Turkey that the Emperor of Russia has selected his son-in-law, the Duke of Leuchtenburg, for the throne of the new Empire of Byzantium, which he contemplates, Prussia and Austria having assented to the project, the latter receiving Moldavia and Wallachia and the former Poland as far as the Bug, as the price of their agreement."

A novel plan of destroying rats has lately been practised in parts of England, which is likely to supersede all other methods. A gentleman being tormented with these destructive vermin, which visited his pigstye, and robbed the grunts of their food, determined to put a stop to such proceedings. He accordingly took a fishing rod, with line and hook attached, and, having baited it with a piece of bread, he stood a little distance from the pigstye, and threw in the line. In about ten minutes after he succeeded in catching no less than six rats.

**ON THE "ESTABLISHMENT."**—The Rev. Stephen Aldhouse, lately convicted of bigamy, was last week sent to Van Diemen's Land.

**MILLERITES.**—The Concord N. H. Statesman of Friday says—"We understand that in one of the School Districts of Hillsborough in this State, the whole population have become believers in the doctrine of Miller—closed their district school and taken their children home to get prepared for the second advent."

**OUR FELLOWS.**—According to the Covenant an Official Magazine of the Grand Lodge of the United States, the annual revenue of all the lodges reported in the United States, is one hundred and fifty nine thousand one hundred and eighty-three dollars and eighty-five cents. Total amount of relief reported, four thousand one hundred and eighty-seven dollars and eighty-three cents. The number of contributing members is thirty-three thousand eight hundred and ninety-five.

**Water Running up Hill.**—Dr. Smith, in a recent lecture on geology, at New York mentioned a curious circumstance connected with the Mississippi river. It runs from north to south and its mouth is actually four miles higher than its source, a result due to the centrifugal motion of the earth. Thirteen miles is the difference between the equatorial and polar radius; and the river in 2,000 miles has to rise one-third of this distance, it being the height of the equator above the pole. If this centrifugal force were not continued, the river would flow back, and the ocean would overflow the land.

**THE FAMILY NEWSPAPER. PHILADELPHIA SATURDAY COURIER.**

40,000 Subscribers.

The Proprietors of the far-famed Philadelphia Saturday Courier known and acknowledged as the best Family newspaper in the World, stimulated by the already vast and rapidly increasing patronage, have resolved to commence the New Year with redoubled energy and enterprise. It would seem unnecessary to say one word in commendation of the past or present excellence of the Saturday Courier. Its mature age, (twelve years,) and its unrivalled circulation—nearly 40,000,—are its best recommendations.

The Courier is independent in its character, fearlessly pursuing a straight forward course, and supporting the best interests of the public. IT IS STRICTLY NEUTRAL IN POLITICS AND RELIGION. It will maintain a high tone of morals, and not an article will appear in its pages which should not find a place at every fireside. It has more than double the number of constant readers, to that of any other paper published in the country, embracing the best families of our Republic.

Every one should be proud to patronize the Philadelphia Saturday Courier, as by its unbroken series of original AMERICAN TALES, by such native writers as Mrs. Caroline Lee Hentz, Mrs. St. Leon Loud, "The Lady of Maryland," Professor Ingraham, T. S. Arthur, Esq., Miss Sedgwick, Miss Leslie, and many others, it has justly earned the title of the AMERICAN FAMILY NEWSPAPER.

**FOREIGN LITERATURE AND NEWS.**

Determined to spare no expense in making the SATURDAY COURIER a perfect model of a Universal Family Newspaper, of equal interest to all classes and persons of every nation, we have made arrangements to receive all the Magazines and papers of interest, published in England and on the Continent, the news and gems of which are immediately transferred to its columns thus giving to emigrants as well as others, a correct and connected account of whatever occurs of interest either at home or abroad.

Particular care is taken to procure the earliest advices in reference to the prices of all kinds of Grain, Provisions, Produce &c., the state of Stocks, Banks, Money and Lands, and our extensive arrangements will hereafter render our PRICES CURRENT

of inestimable interest to the traveller, the farmer and all business classes whatsoever.

The general character of the COURIER is well known. Its columns contain a great variety of TALES, NARRATIVES, ESSAYS, AND BIOGRAPHIES, and articles in Literature, Science, the Arts, Mechanics, Agriculture, Education, Music, News, Health, Amusement, and in fact, in every department usually discussed in a Universal Family Newspaper, from such writers as
