CRAIG Y NOS CASTLE, Oct. 13, 1887.

MY DEAR MRS. AYER.—There never has been anything equal in merit to the Recamier Preparations; my skin is so immensely improved by their use. I need not dread old age while these magic inventions of yours exist. I use Cream, Balm and Lotion every day of my life, and could not exist comfortably without them. Recamier Soap is also perfect. I shall never use any other. It far surpasses all toilet soaps. I hear that the Princess of Wales is delighted with the Recamier Preparations. I am convinced your Recamier Preparations are the greatest boon ever invented. I could not comfortably endure a day without them.

WHAT THE RECAMIER PREPARATIONS ARE AND WHY THEY ARE TO BE USED.

Recamier Cream, which is first of these world-famous preparations, is made from the recipe used by Julie Recamier. It is not a cosmetic, but an emollient, to be applied at night, just before retiring, and to be removed in the morning by bathing freely. It will remove tan and sunburn, pimples, red spots or blotches, and make your face and hands as smooth, as white, and as soft as an infant's.

Recamier Balm is a beautifier, pure and simple. It is not a whitewash, and unlike most liquids, Recamier Balm is exceedingly beneficial, and is absolutely imperceptible except in the delicate freshness and youthfulness which it imparts to the skin.

Recamier Lotion will remove freckles and moth patches, is soothing and efficacious for any irritation of the cuticle, and is the most delightful of washes for removing the dust

from the face after travelling, and is also invaluable to gentlemen to be used after shaving.

Recamier Powder is in three shades, white, flesh and cream. It is the finest powder ever manufactured, and is delightful in the nursery, for gentlemen after shaving and for the toilet generally.

Recamier Soap is a perfectly pure article, guaranteed free from animal fat. This soap contains many of the healing ingredients used in compounding Recamier Cream and Lotion.

The Recamier Toilet Preparations are positively free from all poisonous ingredients, and contain neither Lead, Bismuth, nor Arsenic.
