

CATARRH

CATARRHAL DEAFNESS

A NEW HAY FEVER TREATMENT

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and Eustachian tubes. Microscopic research has proved this to be a fact, and the result is that a simple remedy has been formulated whereby these diseases are cured in from one to three simple applications made at home. A descriptive pamphlet is sent free on receipt of stamp by A. H. Dixon & Son, 305 King Street West, Toronto, Canada.
