

*From the Right Reverend the Bishop of Three Rivers :*

I heartily approve the project of a Canadian pilgrimage to Paray-le-Monial. Everything connected with the devotion to the Sacred Heart, or that tends to promote this devotion to the loving Heart of Jesus, has a peculiar charm for me. A demonstration of this character will not only loudly proclaim the solid faith and piety of our Canadian people, but will draw down on our country abundant blessings. I desire to see my diocese well represented on this pilgrimage. . . .

*From the Right Reverend the Bishop of London :*

I wish the Canadian pilgrimage to Paray-le-Monial in France every success. Those who cannot visit the Holy Land should make special efforts to see the place in which our Blessed Lord appeared to Margaret Mary, and revealed to her the beautiful and profitable devotion of the Sacred Heart.

*From the Right Reverend the Bishop of Alexandria :*

In my humble opinion it is desirable and fitting that the pilgrimage to do homage to the Sacred Object the promoters have in view should take place. Accordingly, I give the proposed pilgrimage my hearty approbation, and beg God's blessing upon the pilgrims, and trust their pious journey shall redound with benedictions upon themselves and the country they represent.

*From the Right Reverend the Bishop of Chicoutimi :*

I offer you my hearty felicitations anent the project of a pilgrimage to the City of the Sacred Heart. It is fitting and proper that Catholic Canada should take its place among the other nations in the concert of praise and thanksgiving which Jesus Christ expects in the sanctuary at Paray-le-Monial where "He made the last efforts of His love to save the world. . . ."

*From the Right Reverend the Bishop of Valleyfield :*

I heartily approve, so far as my diocese is concerned, the project of a Canadian pilgrimage to Paray-le-Monial under the direction of the Apostleship of Prayer, and I beg God to bless this pious undertaking. . .

*From the Right Reverend the Bishop of St. Hyacinthe :*

It is for me a pleasure to tell you right away that I am very desirous that a good number of my diocesans should make the pious pilgrimage to Paray-le-Monial. I am about to send a circular to all my parish priests to exhort them to enter into my views and yours, and to show a zeal in getting as many of their flock as possible to visit this privileged sanctuary of the Sacred Heart. . . .
