# United States Life Insurance Co.,

IN THE CITY OF NEW YORK.

This old and reliable Company now has the experience of forty-five years of practical Life Insurance, which has taught it that the *sine qua non* of success is the adoption of good plans of insurance, and the pursuit of a liberal policy towards both its Insured and its Agents. These essentials it possesses in an eminent degree, but judiciously tempered by that conservatism which is the best possible safeguard of the policyholder. Its contracts are incontestable after two years. They are non-forfeiting, providing generally for either paid up policy or extended insurance, at the option of the policyholder. It gives ten days of grace in payment of all premiums. Its course during the past forty-five years abundantly demonstrates its absolute security.

Active and successful Agents, wishing to represent this Company, may communicate with the President, at the Home Office, 261 Broadway, New York.
