

Columbia Bicycles

For 1897 are models of beauty and strength—and for Ease of Running and Noiseless Action

ARE WITHOUT AN EQUAL

If you want the highest satisfaction and reliability in your wheeling, you will ride only a Columbia. As an enthusiastic Columbia rider remarked the other day. "I have been wheeling for years, but I never knew half the pleasure of bicycling till I got my Columbia. I only regret I did not buy it long ago."

The Columbia is the recognized STANDARD OF THE WORLD, and sells for \$100.00 to all alike. Worth every dollar of it, too.

We are also continuing our popular 1896 Model, with up-to-date improvements, at \$85.00. Splendid value.
