Lake Freight Rates

The lake freight quotation at Winnipeg on Saturday was easier at 2½ from Fort William or Port Arthur to Buffalo or Midland.

Ocean and Lake Grain Freights The market for lake and rail freights is very dull at the moment, says, the Montreal Gazette, a number of barges engaged in the lake carrying trade being laid up for want of grain froighte in

of barges engaged in the lake energing trade being indid up for want of grain freights; there are some charters however, reported in wheat from Duluth to Montreal at 5½ to 6c, and from the control of t the ocean carriers here, some of which have had to put flour in their grain

MINING NOTES.

British Columbia

Twelve carloads of ore from Re-public were shipped via the Kettle Valley line to the Granby smelter last week. The shipment comprised four carloads each from the Blacktail, Quilp and San Poil mines respectively.

With the close of October the ore output of Rossland camp passed the figures for the entire twelve months of last year. The War Eagle and Centre Star have been steadily in-creasing their output.

Northwestern Ontario

The Keenora Gold Mining Co., Ltd., of Toronto, has been granted incorpo-ration in Ontario. This is the com-pany which has purchased the reduc-tion works at Rat Portage and the Scramble mine

Scramble mine.

Mining activity has increased in the Lake of the Woods country. Local people claim that the irresponsible people claim that the irresponsible manual people claim that the people claim that the irresponsible manual better basis than they were a few years ago. It is said that in a quiet way some monicle people in the States are picking up desirable properties with a view to their operation.
