Get the most For your Money

Not the greatest weight for that is not the proper way to estimate the value of tea, it is the strength and flavor that determine it. What is called tea can be bought for a few cents per pound and yet it is expensive.

Ram Lal's Pure Indian Tea

has never been known as a "cheap" tea, yet it is economical because of its purity, flavor, and great strength. It will brew nearly double the number of good cups of tea that any other brand will, and no other tea in the world will hold its flavor so well against the Alkali Waters of the North West.

Ram Lal's Tea is a pure Indian Blend put up in sealed packets which retain all the strength, original delicate aroma and delicious flavor.
