RECALLED TO LIFE!

The following letter was received by Dr. Picault of the Firm of Picault & Son, Druggists, No. 42 Notre Dame Street:

Montreal, C.E., May 9, 1864.

DR. PICAULT :- Dear Sir, - Do you not remember having been called by me last summer to see my wife, who was suffering from Chronic Inflammation of the Kidneys for seventeen months. You were the ninth physician called, as I had sought advice to no avail, though I followed the prescriptions carefully. She was reduced to the state of a skeleton, could not digest, and I had no more hope of saving her. — You advised me to give her BRISTOL'S SARSAPA-RILLA. From the first dose she experienced relief, and after the seventh bottle had been taken, she was completely restored. I thought it would be useful to the public to let them know of this extraordinary

JOSEPH BELLANGER, No. 30 Ayımer Street I do remember having been called for the above case, and not hearing of anything since that time, I thought she was susely dead long ago. P. E. PIGAGLT, M.D.

It was not originally intended to be used in this way, but was designed for the pains and aches to which human flesh is heir. It cures toothache. headache, neuralgia, and the pains and diseases of the bowels. It is a purely vegetable medicine, and no harm can result from the use of it.

DINNA TE HEAR THE SLOGAN? - When the last lingering ray of light seems gone, and some almost impossiole, though long wished for event transpires that brings back both hope and life, it is a circumstance not easily forgotten. Not more joyful was the sound of the slogan to the ears of the Scotch girl, Jessie at Lucknow than the assurance to a sick and dying man that you have a medicine that will cure him. Down's Elirir has caused many a heart to feel glad by restoring the sick to health when all other medicines had proved worthless. See advertisement in another

disease may be traced to the stomach. For each and all of them, common sense suggests that the medicine which restores that organ to its full vigor, is the true remedy. If common sense demands what that remedy is, experience answers, BRISTOL'S SUGAR-OOATED PILLS. Cathartics are plenty, but ninetenths of them give only temporary relief, and many are dangerous. It is better to let dyspensia have its way, than to attempt its cure with mercury. The so-called remedy will destroy the patient more rapidly than the disease. Not so BRISTOL'S SUGAR-COATED PILLS, which owe their efficacy solely to vegetable extracts. If the liver is wrong, they put it right; if the bowels are clogged with obstructions, they remove them; if the stomach is incapable of perfect digestion, they impart to it the required tone

The New York Tribune says, 'the reason why Drake's Plantation Bitters are so universally used and have such as immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices tave so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things. . . . I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER, Madrid, N. Y."

Plantation Bitters, the popularity of which are daily increasing with the guests of our house. SYKES, CHADWICK & Co., Preprietors Willard's Hotel, Washington, D. C.

H. B. KINGSLEY, Cleveland, O."

". . . The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE, 254 Broadway."

New Bedford, Mass., Nov. 24, 1863. Dear Sir: -I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.—Respectfully,

JUDITH RUSSEL.

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James March, Esq, of 159 West 14th Street, N.Y, says, 'he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an impostor. We sell it only in bottles. Sold by principal dealers throughout the habitable globe.
