

Frosst's Blaud Capsules

"The iron in Frosst's Blaud Capsules showed the highest percentage of Ferrous Carbonate."—This is on the authority of Milton Hersey Co. Limited, a firm of Analysts whose services are in demand for scientific and independent chemical reports, after examining Blaud products made by the principal Pharmaceutical Chemists.

Frosst's Blaud Capsules are the perfected Blaud product, made by Pharmaceutical Specialists and marketed in ethical packages.

MADE AND ORIGINATED IN CANADA

Charles E. Frosst & Co. Montreal.
