

MADE IN CANADA

"The roofing shall be laid according to The Barrett Specification dated May 1st, 1916, and the roofing contractor shall, on completion of the job, deliver to us a twenty year Surety Bond Guaranty in accordance with Note No. 1 of such Specification."

This is the new way of prescribing roofing in your building specifications when you want a Barrett Specification Roof.

The twenty year Guaranty Bond is a new feature of our service.

It will be given on all roofs of fifty squares or more in all towns of 25,000 population and over throughout Canada and the United States and in smaller places where our inspection service is available.

This Guaranty Bond exempts the owner from all expenses of maintenance and repairs for a period of twenty years and the bond is issued by the United States Fidelity & Guaranty Company, one of the largest surety companies in the world.

The roofer, in order to secure this Guaranty Bond, must be satisfactory to us, and must notify us as soon as a contract is taken and give us the right to inspect the workmanship and materials to see that both are in strict accordance with The Barrett Specification dated May 1st, 1916.

Naturally, if we are to give a twenty year Guaranty Bond, we must be assured that the proper amount and kinds of material are used so as to insure the roof giving the maximum service.

We know from experience of almost fifty years that a roof laid strictly according to The Barrett Specification with the workmanship properly safeguarded will last twenty years and more without repairs of any kind, and we are issuing this twenty year Surety Bond so that owners of these roofs will get the benefit of that experience.

The principal architects, engineers and roofing contractors throughout the Dominion are familiar with the plan.

If there is any information you desire regarding the proposition, just drop us a line to our nearest office and we shall be very glad to give you further facts.
