## TRAINING AND FROMOTION

ε.

Please describe company programmes for the training and advancement of black employees. Include details of company's use of outside educational facilities and university tursaries for both general and specialized technical and professional development of employees. Indicate numbers of black employees involved in programmes at each level of employment positions, actual progress achieved during the annual period concerned in promotions to all levels and total costs to companies. For similar categories of information compare such programmes with similar programmes the company has made available to other nonwhite employees and to white employees during the same period.

- 12 -

(a) It is the objective of the Company to promote from within wherever

possible. As a result, a variety of training and development programs
