Canada

Tel: (403) 234-0522
Fax: (403) 265-9823

WESTDEV INC. pursues on behalf of their client, international business development with private companies and government agencies in foreign countries. WESTDEV also works with international development institutions such as the Canadian International Development Agency (CIDA) and the World Bank, to encourage the pursuit of business opportunities by Canadian companies in developing nations. WESTDEV's expertise is in the areas of:

- international business strategy
- international marketing strategy
- international joint venture and technology transfer projects
- international and domestic investment
- financial and legal advice (through associates)

This expertise can be applied to the evaluation and matching of Canadian and foreign partners and the implementation of successful joint ventures for technology transfer.

Mr. Jean Dessert
President
