

**SECOND ADDITIONAL PROTOCOL
TO THE FREE TRADE AGREEMENT**

BETWEEN

THE GOVERNMENT OF CANADA

AND

THE GOVERNMENT OF THE REPUBLIC OF CHILE

**THE GOVERNMENT OF CANADA AND THE GOVERNMENT OF THE
REPUBLIC OF CHILE ("the Parties");**

CONSIDERING that the Parties signed a Free Trade Agreement on December 5, 1996, the fundamental objective of which is to establish a free trade zone, gradually lowering their tariffs in order to facilitate the movement of goods and services between their territories; and

IN VIEW of the Government of Chile's adoption of a safeguard measure with respect to wheat imports, and since Chapter F of the Free Trade Agreement requires that when a safeguard measure is applied, mutually agreed upon trade liberalizing compensation must be granted in the form of concessions having substantially equivalent effect upon commerce;

HAVE AGREED as follows:

ARTICLE 1

To eliminate from Chile's Tariff Reduction Schedule the following goods identified according to the tariff classification established in the same Annex:

0713.10 (dry peas and dry beans);
2004.10 (potatoes); and
2309.10 (pet foods).

Accordingly, importations of originating goods from Canada corresponding to the tariff classifications listed above shall be exempt from duties upon entry into force of this Protocol.
