

In the Action Plan's countries of focus, Global Affairs Canada disbursed the following amounts on WPS programming: \$41.4 million in Iraq; \$39.3 million in Syria; \$31.5 million in Afghanistan; \$23.2 million in Haiti; \$22 million in the DRC; \$20.6 million in Mali; \$18.7 million in Jordan; \$18.6 million in Lebanon; \$12.1 million in Colombia; \$10.6 million in South Sudan; \$6.4 million in Myanmar; \$3.7 million in Guatemala; and \$1.7 million in Burundi.

Below is a breakdown of Global Affairs Canada's disbursements broadly aligned with the Action Plan's main objectives:²⁵

Note that some of above areas capture a much broader range of issues than others, which will be reflected in the funding amounts.

²⁵ PSOPs is the largest contributor to objective 1. Due to the renewal of the PSOPs mandate in FY 2016-17, the program was not able to disburse funds until later that year, which resulted in lower WPS spending for FY 2016-17.
