

- (ii) any gratuity paid to him under the regulations mentioned in subparagraph (i) in respect of that period,

together with simple interest at four per cent per annum from the time of the expiration of that period or the time of the payment of that gratuity, whichever is the later, until the time of making the election. 5

Application
of ss. (3) of
s. 7.

(2) Subsection (3) of section 7 does not apply in respect of any election made under this section.

Transfer of
amounts
withheld.

(3) Upon any person described in subsection (1) becoming a contributor under this Act, any amount withheld as described in paragraph (b) of subsection (1) that has not previously been paid to him shall be transferred to the Superannuation Account, and upon the transfer of that amount the contributor shall be deemed to have elected to pay for the period of service in respect of which that amount was withheld and to have paid that amount as or on account of the amount required by this Act to be paid by him for that service. 10

*Former Public Service Employees and Members of the
Royal Canadian Mounted Police.*

Election.

19. (1) Any person who becomes a contributor under this Act, having been employed in the Public Service but not having become entitled to an annuity or annual allowance under the *Public Service Superannuation Act*, or having been a member of the Royal Canadian Mounted Police but not having become entitled to an annuity or annual allowance under the *Royal Canadian Mounted Police Superannuation Act*, is entitled to count as pensionable service for the purposes of this Act any period of service described in clause (A) or (B) of subparagraph (ii) of paragraph (b) of section 5 that, under the *Public Service Superannuation Act* or the *Royal Canadian Mounted Police Superannuation Act*, as the case may be, he was entitled to count for pension purposes, if he elects, within one year of becoming a contributor under this Act, to pay for that service, in which case the amount required by this Act to be paid by him for that service is, 20
