

rades from Durham-Northumberland and York North, both of whom have recently demonstrated great political contortionism by criticizing one member of this House for visiting Cuba while secreting their own desires to go there, I move, seconded by the hon. member for Broadview-Greenwood (Mr. Rae):

That since their lives will clearly be endangered by their rubbing shoulders with raving Cuban commies, this House instructs the Solicitor General to send along three RCMP officers to ensure the safety of the Gamble-Lawrence brigade.

Some hon. Members: Hear, hear!

Some hon. Members: Oh, oh!

THE CENSUS

INFRINGEMENT OF PRIVACY—MOTION UNDER S.O. 43

Mr. Peter Elzinga (Pembina): Madam Speaker, because of the many infringements on the privacy of Canadians during the taking of the census and whereas many Canadians feel the information requested is highly sensitive, discriminatory, and possibly available from other sources, I move, seconded by the hon. member for Athabasca (Mr. Shields):

That this House instruct the government to allow individual Canadians the discretion not to answer questions they feel infringe on their privacy in this year's census and in all censuses in the future.

Madam Speaker: Is there unanimous consent for this motion?

Some hon. Members: Agreed.

Some hon. Members: No.

CANADIAN WHEAT BOARD

LITIGATION AGAINST FARMERS—MOTION UNDER S.O. 43

Mr. Gordon Taylor (Bow River): Madam Speaker, I rise on a matter of urgent and pressing necessity under the provisions of Standing Order 43. The Canadian Wheat Board lost its case against a Stavely farmer in a court of appeal in Alberta. This farmer, along with others, had rented available space in an elevator rather than store grain on the land, and this was considered a criminal offence by the Wheat Board. The Wheat Board used producers' money to prosecute the farmers. The farmers were put to needless expense to defend themselves. Now the Canadian Wheat Board is going to start the whole case over again.

Whereas the Canadian government, through CIDA, has given Grenada \$475,000 to build a garage so that vehicles will not have to remain outside in the weather, I move, seconded by the hon. member for Wetaskiwin (Mr. Schellenberger):

That this House urges the Canadian government to extend the same generous treatment given to the communist regime in Grenada to the farmers in Canada

by ordering the Canadian Wheat Board to cease and desist from this costly and needless litigation.

Madam Speaker: Is there unanimous consent for this motion?

Some hon. Members: Agreed.

Some hon. Members: No.

AGRICULTURE

AID TO FARMERS—MOTION UNDER S.O. 43

Mr. Bob Corbett (Fundy-Royal): Madam Speaker, in view of the fact that the government has recently approved a grant to the Marxist state of Grenada through CIDA of some \$7.5 million to assist the cocoa plantation farmers replace existing trees and plant abandoned or neglected acreage, I move, seconded by the hon. member for Carleton-Charlotte (Mr. McCain):

That the government recognize the plight of Canadian farmers in replanting their acreages because of high interest rates, labour costs, etc., and make available to them the same sort of generous monetary aid it is so anxious to extend to Marxist-dominated Grenada.

Madam Speaker: Is there unanimous consent for this motion?

Some hon. Members: Agreed.

Some hon. Members: No.

INDIAN AFFAIRS

POLICE RAIDS ON RESTIGOUCHE RESERVE IN QUEBEC—MOTION UNDER S.O. 43

Mr. Jim Fulton (Skeena): Madam Speaker, I rise under the provisions of Standing Order 43 on a matter of urgent and pressing necessity. Last week the Micmac Restigouche reserve in Quebec was raided by the Quebec Provincial Police. The raid was a blunt attempt to keep the Indian people from fishing. Today the reserve is again facing possible raids, as the police have once more surrounded the reserve.

The executive of the National Indian Brotherhood has gone to Restigouche in support of the Micmac people and to attempt to avoid any violence which might be sparked by another raid. As the Fisheries Act is a federal statute and the responsibility for Indian rights and lands is in the jurisdiction of the federal government, I move, seconded by the hon. member for Nunatsiak (Mr. Ittinuar):

That this House condemns the Restigouche raids and demands a full inquiry into the role of the federal government to protect the Micmac people.

Madam Speaker: Is there unanimous consent for this motion?
