[Translation]

The Acting Speaker (Mr. DeBlois): I declare Motion No. 1 lost. Therefore, Motion No. 2 is negated.

Mr. Gagliano: Mr. Speaker, I believe you will find there is unanimous consent for applying the results of the vote that was just taken to Motion No. 3 and the vote on Motion No. 4 to Motions Nos. 5 and 6.

[English]

Mr. Hawkes: The list we have would indicate it is Motions Nos. 3 and 4. They are not on the Order Paper because they were done by unanimous consent earlier this day. I just want to make sure that these are the last two votes, at any rate, in terms of amendments to this bill.

Mr. Nowlan: On the same point of order, I do not want to impede but I did not vote either for or against because I did not have the amendment before me and I really was not sure what the devil I was voting on. If it is to implement the budget in a general way, then perhaps I would be able to take a position. I would like to agree to the other amendments if I knew what they were. I did not vote the first time because I did not have the amendment and I did not know what I would be voting on. If you could tell me what the vote is, what the amendments are, then I will go along with a vote.

The Acting Speaker (Mr. DeBlois): Motion No. 3 of the member for Essex—Windsor moved that Bill C-20 be amended by deleting clause 7. Motion No. 4 of the member for Essex—Windsor moved that Bill C-20 be amended by deleting clause 8.
