

DEPARTMENT OF THE SECRETARY OF THE PROVINCE
OF QUEBEC
BUREAU OF STATISTICS.

Quebec September 23rd 1925.

To the Principal of
McGill University,
Montreal.

Dear Sir:-

Enclosed please find a blank form to be filled in and returned to this office, at your earliest convenience.

Many times, since July last, have I forwarded these forms to the Department of Public Instruction, begging them to send them to you, but I have failed, up to the present time, to receive an answer and, as our compilation of "Educational Statistics" is almost completed, we urgently need your return, please.

Yours truly,

G.-E. Marquis

Head of the Bureau of Statistics.
