

14th June 1934.

Dear Dr. Tory,

I have your letter of June 11th and am pleased to note that you have concurred in our proposal as to appointments of Colonel Bovey and Mr. Fred. Ward on the Parasitology Committee.

We shall be pleased to do our part by formally appointing Dr. Stevenson and Mr. Eagleson.

Yours faithfully,

Chancellor.

Dr. H. M. Tory,
National Research Council,
Ottawa, Ont.
