

\$15.00 per week. As the hotel is fire-proof, with fire-escapes from every room, three stairways, and two elevators, the rooms on the third floor are almost as desirable as those on the first floor. Nurses and children (under 10) are half-price. To secure early choice of rooms it would be well to write not later than June 1st, and it is believed that the traveling public will find the proprietor and all his assistants worthy, efficient and obliging. Letters should be addressed to the INTERNATIONAL HOTEL, NIAGARA FALLS, N. Y.
