the North Thompson River. The building of the Canadian Northern Railway through this valley, in close proximity to these properties, will cause a tremendous increase in values within the next few years. Farm produce is bringing high prices during the construction of the railway, and when it is completed a large market will be opened to our farmers in the Prairie Provinces. We have also an excellent listing of city lots suitable for both business and residential purposes. Kamloops-Vancouver Trust Co., Ltd., Kamloops, B.C.

KAMLOOPS DISTRICT—PRAGNELL & COSIER. Kamloops is the centre of and principal town in the Dry Belt. The soil and climate in the valleys are admirably adapted to the growing of apples, pears, plums and other fruits, also on the higher lands, the finest crops of hay, wheat, oats and other cereals are raised. Stock, horses and cattle, live on the famous bunch grass ranges all the year round. We are the agents for the principal Fruit and Stock Ranches in the Kamloops District, and from our long experience of local conditions, are in a position to advise you where to invest your money. Write to us, we solicit your correspondence. We can supply undeniable references both in Canada and England. Pragnell & Cosier, Kamloops, B.C.

KAMLOOPS DISTRICT—ROSS & SHAW, VANCOUVER, B.C. This district is in the heart of the famous "Dry Belt," where the finest and highest-priced fruit is grown, where poultry raising is profitable and climatic conditions are really delightful. You can purchase 10 to 20 acres of rich, deep soil, all cleared, with ample water and ready to set on in trees for \$125 to \$150 an acre. Poultry ranches from \$60 to \$100 an acre. Easiest terms. Write for full particulars to Ross & Shaw, 318 Hastings St. W., Vancouver, B.C.

KETTLE RIVER VALLEY—ROCK CREEK DISTRICT—H. W. FARMER & Co. Is fast becoming known as an excellent fruit district. The upper lands produce good farm crops without artificial irrigation. The lower lands, adapted for fruit, have a good system of irrigation. The Kettle Valley Ry. runs through the fruit lands. The G.N.R. is 3 miles south. A good market for all produce in mining and lumbering camps nearby. Air is light, bracing and healthy. Write H. W. Farmer & Co., Information Agents, Rock Creek, B.C.
