Why make excuses? The Tecumselic are keeping their engagement, and the lifting of the Minto Cup would have been a surprise. Vancouver are only ahead 5 by better than 10 to 0. In fact, the Indians will hardly go thru two games

The Eastern Baseball League post-sea-son series has been abandoned, with four left unplayed. It should not have been necessary to call the games off. They should never have been started.

Baseball is not exacting so much attention in big old New York that cricket is neglected. Far from it, as in the second season of the New York and New Jersey Cricket Association no let-up in interest was experienced among the members of the clubs composing that thriving organization. The sleven of the Staten Island Cricket and Tennis Club, which formerly was so successful in the Aetropolitan League, again survived the championship series without a single defeat. Hight matches were contested, of which six were won by the champions and two were drawn. In addition to this, one of the members of the Staten Island club, H. R. Nicoll, was placed tirst among the association bowlers for the season.

The New York Veterans' Cricket Association, that sent a team to Torouto last summer, finished below Staten Island in the competition, and enjoyed the distinction of claiming the batsman with the best association batting average in Dr. C.

C. Beling. Sidney Deane ranked high as always, while G. W. Hayman, F. F. Kelly, A. Brown and F. J. Prendergast were all well up in the double-figure list. A. Bignall of Richmond County, whose club was placed third in the standing, was second among the batsman, L. W. Stoughton, J. Escobal, W. Radford, O. Turville, E. G. Hull and E. O. Challenger being also placed well up in the averages.

#### Post Season Series Declared Off by President Barrow

A report from Rochester says that the post-season series is off. President Chapin of the Rochester Club refused to live up to the agreement made by his manager, John Ganzel, with President Larrow and Jack Dunn to play vesterday in ries of the eastern section. Newark, so President Barrow declared the series off.

President Edward Barrow of the East-ern League will be in Toronto this morn-ing, and may throw some light on the unsatisfactory ending of the series.

We are willing to play best two out of three games, commencing Saturday, Oct. 14, and would suggest playing one game at Dufferin Park and one game at Scarboro Beach, and the third game, if necessary, on the island.—Sam Whitney, manager Eaton Baseball

The Detroit News says that the Detroit American League Baseball Club has secured waivers on Left-Fielder Davy Jones and Catcher Schmidt. It has not been definitely stated what disposition will be smade of the veterans, but it is intimated what they will go to the American Association.

OTTAWA, Oct. 2 .- Counting upon the addition of Jack Williams this week, Ottawas will face Montreal at Lansdowne with the Giants and the Athletics competing in the world's series, a noteworthy feature will be the presence of an Indian on each team, Chief Meyers, the Giants star catcher, and Chief Bender, the Athletics' mainstay in the bex. The Argonauts were at it last night and are determined to be ready for the Tigers on Saturday. Two full teams were out and were lined up. One little surprise was noticed at Rosedale, when the seniors lined up. It was seen that Mailett was at full, Lockhart at right half. Binkley at centre and Murphy at left, with Smith, the former R.M.C. man, up on the wing line. This tooked a very funny move, as Smith is one of the best half-backs in the country, and did not practice last night as the he enjoyed being up on the line. It would be very bad for the Argonauts if by indiscriminate switching around of players they should lose what looks like a fortunate addition to local Rugby players. Billy Jarvis, the quarter-back works like a Trojan all the time and is the life of the practice. Had big Patterson of the intermediates a little more speed he would make a great wing player for the seniors.

On Wednesday the following high school games will be played: Bastern section (senior), Riverdale at Jarvis; western section (senior), Harbord at Partidale.

Varsity seniors, none the worse for their strenuous exhibition game on Saturday, were, out to practice last night at the stadium. Seniors and intermediates lined up, and a good workout resulted. Varsity will practise every afternoon this week, as they fully realize the importance of a victory over Queens in Kingston on Saturday.

The team which lined up against the Tigers on Saturday will have to be improved to a great extent if it wants to hold the championship of the O. R. F. U. The Alerts would have beaten them as easily as did the Tigers. However, the T. A. A. C. were minus some of their best men, particularly Captain Gage, who played with the Varsity Grads on Saturday.—Hamilton Times.
