NO MORE GAS IN HOTELS License Commissioners So Recommend

Two Hotels Change Hands. At the meeting of the license commis sioners yesterday afternoon, it was renended by the board that, in view of recent fatalities due to the use of

gas, all hotels in the city should be equipped with electric lighting.

The following transfers were granted:
Gladstone Hotel, 1214 West Queenst., Victor E. Gianelli, to Thos. W. Slattery & Co., \$160,000.

rd Hotel, 6-8 Teraulay-st., Wm. Hassard to Wm. K. Hill, \$30,000. Mrs. Catharine Shaw, 258 Church, shop license to Wm. Bateman, \$36,000. The license of the Gladstone went for \$60,000, and the property for \$100,000. It is stated that Mr. Slattery will be nager of an incorporated company to be known as the Gladstone Hotel Company, in which Mr. Glanelli will have an interest of \$20,000. Mr. Slattery sever his connection with the Toronto Baseball Club, of which he has en secretary for five years. If he does not wish to buy the property, he can get a fifteen year lease at a yearly rental of \$4000 for the first five years. \$5000 for the second five years, the final five years to be \$6000 a year.

TOLD HOW TO ADVERTISE.

The Toronto Ad Club enjoyed its night at 6.30, with 100 in attendance. Dallas, educational and house commitorner of Queen and Yonge-streets. Some stores thought the Montreal.

Strict Censorship.

A strict censorship was established to-day on all trans-provincial messages regarding military movements and also on all code messages, except consular and legation despatches. Even the legations are deprived of news by the interruption of the wires, and there is anxious suspense, as the last messages received described the continuance of desultory firing, with rebel reinforcements crossing the river.

According to a consular despatch, the rebels, after crossing from Hanyan, on the night of Oct. 17, evidently marched all night long in a northeasterly direction around the foreign concessions and attacked the imperialists shortly after daylight at their

given its first opportunity for the ex-amination of prospective jurors. At-torney Clarence S. Darrow, chief coun-sel for the defence, turned over the full jury box, reserving the privilege of examining one man further if he

Three other men are under challenge for bias, awaiting a ruling from Judge Bordwell. The state, within a few minutes, successfully challenged John W. Roberts, a real estate dealer, who had fixed scruples against capital punishment, and began the examination of T. W. Adams, a retired real estate dealer. No talesmen were called today to replace Roberts.

The list of talesmen to-night stood: F. D. Green, orange grower; T. W.

Deputy G. Ray Horton, who examined the talesmen on behalf of the state, disposed of Roberts, who had been made the subject of favorable comment from opposing counsel with seeming regret, questioning him at length to learn whether his views on the death penalty were such as to prevent his serving on a jury.

Would Not Vote Conviction.

Roberts finally declared flatly that he would not vote a conviction which carried with it a death penalty, and he was excused.

"You are a Socialist, I believe?" was the first question put to Adams. He said he had been one for ten years; that he favored a change in governmental conditions; that many laws now enforced, in his opinion, should be better not enforced, and that he was opposed to all forms of violence.

"You understand that, in this case the death penalty is involved?"

"Yes."
"And you are naturally opposed to

Methodist Church Superannuation
Fund Over \$400,000—Paid Out
\$160,000 in Year.

With Rev. Dr. Carman presiding, the annual meeting of the superannuation fund of the Methodist Church was held in the board room of the Wesley Building yesterday afternoon, with the board room of the Wesley Building yesterday afternoon, with the following members present: Rev. Carbon Standard of and principle could never be defeated. Rev. Byron Stauffer who responded to the keep up-to-garding the explosion about a week after it occurred, but that reading a Socialist publication had altered it, and he now believed The Times building was blown up by gas.

The toast to the kuest of the evening was proposed by L. J. Breithaupt, who head in the board room, with the following members present: Rev. Carbon Stauffer the course of again, and it would be a long time before the late government would be a long time b

said that reciprocity would never be heard of again, and it would be a long time before the late government would risk its life again on such a policy.

Mr. King, who rose to speak shortly before midnight, and continued to the "wee sma' ours o' the morning," said that he was amazed at the results that had been attained with the difficulties that had to be contended with.

"It was useless for me," declared Mr. King, "as a cabinet minister to state that the government would not go any further than the agreement stated, because the Conservatives had used every argument to generate fear in the manner in which the pact was presented was not the best form possible. But when we come to realize the great task of trying to fight against ignorance, passion, prejudice, we in North Waterloo cannot but feel somewhat elated over the results."

Mr. King referred to the statements in the press, with reference to his alleged appeals to racial feelings, and said: "I never in any way endeavored to further any racial appeal, and the press should do me the justice by seeing that they give my denial as much publicity as they gave my alleged assertions."

Mr. King made no definite state
Mr. King made no definite state-

"No date has been set for the convention," said Organizer Birmingham last night, "and nothing was done at the meeting of any importance to the public."
